BENEFITS

In the event of expenses incurred on the insured due to accident or illness (subject to exclusions) or any other covered eventuality, the plan will reimburse such expenses, up to the maximum number of days and limits according to the plan purchased as stated in the Schedule of Benefits.

Whilst, in the event of expenses incurred on the insured where the expenses are claimed from other medical plans from other companies or within Great Eastern ("the Company"), the co-insurance and/or deductible of other medical plans from other companies or within the Company which to be imposed on the Life Assured can be claimed from this plan, up to the limits and sub-limits according to the plan purchased as stated in the Schedule of Benefits.

(a) Waiting Period

Waiting period shall be waived. If an Illness or a Specified Illness occurs during 30 days or 120 days respectively from the risk commencement date of this rider, the eligible expenses incurred for all insured benefits will be subject to the terms and conditions & the amounts and limits for this rider. Waiting period shall be applied again from reinstatement date if there is a break in coverage subsequent to the risk commencement date of this rider.

Specified Illnesses means the following disabilities and its related complications, occurring within the first 120 days from the Risk Effective Date:
a) Hypertension, diabetes mellitus and Cardiovascular Disease;
b) All tumours, cancers, cysts, nodules, polyps;
c) Stones of the urinary system and biliary system;
d) All ear, nose (including sinuses) and throat conditions;
e) Hernias, haemorrhoids, fistulae, hydrocele, varicocele;
f) Diseases of the Reproduction system including endometriosis;
g) Vertebro-spinal disorders (including disc) and knee conditions.

(b) Deductible Amount

Please refer to the Schedule of Benefits for the deductible amount available; where applicable. Deductible for GREAT MediValue Exclusive is per policy year, which means the Company will reimburse the balance of the eligible expenses incurred for insured benefits (4) to (14) accumulated per policy year, in excess of the deductible amount and co-insurance (if applicable) *(Please refer to Appendix 2 for more claim scenarios)*.

Deductible shall not apply under circumstances below:

a) Emergency treatment;
b) Outpatient treatment for follow-up treatments arising from cancer or kidney dialysis; and
c) Treatment sought at a government healthcare facility.

For the avoidance of doubt, where a period of Hospitalisation due to same Disability continues to the following Policy Year(s), the Deductible amount as stated in the Schedule of Benefits will only be applicable one time to the total Eligible Expenses incurred for the applicable Insured Benefits for the Hospitalisation, as the case may be.

(c) Co-insurance

Insured Benefit (4) – (17):

Co-insurance is only applicable if Life Assured does not completely follow the TGJ pathway. The Company will reimburse the balance of the eligible expenses incurred for insured benefits (4) to (17), in excess of the deductible amount (if applicable) and the relevant co-insurance percentage, up to the maximum amount per policy year as stated under TGJ pathway.

Co-insurance shall not apply under circumstances below:

a) Emergency treatment; and
b) Treatment sought at a government healthcare facility.

*Note: The co-insurance amount paid shall not offset the deductible amount payable in a policy year and vice versa.

Outpatient Treatment Benefit:

The Company will reimburse the eligible expenses incurred for insured benefit (27) based on the relevant co-insurance percentage, up to the maximum amount per policy year as stated below:

- if the treatment is sought at a TGJ Clinic, 5% co-insurance per policy year shall apply, up to a maximum of RM500 per policy year. This co-insurance amount paid shall offset the deductible amount payable in a policy year and vice versa; or
- if the treatment is not sought at a TGJ Clinic, 20% co-insurance per policy year shall apply, up to a maximum of RM20,000 per policy year. This co-insurance amount paid shall not offset the deductible amount payable in a policy year and vice versa

Co-insurance shall not apply if the treatment is sought at a government healthcare facility.

2	Outpatient Treatment for Influenza	Non-TGJ Clinic	RM200	Co-insurance = RM40	RM160	20% co-insurance shall be imposed.

d) The Great Journey (TGJ) Pathway

Customers only need to pay the selected deductible per policy year if they completely follow the TGJ pathway. However, customers need to pay the selected deductible plus 20% co-insurance up to RM20,000 if they do not follow all the steps of the following TGJ pathway below.

Step 1:
TGJ Clinic: Visit a GP listed in TGJ Clinic to receive preliminary assessment and referral to TGJ Hospital, if required.
Please refer to the corporate website for the full list of TGJ Clinic.

Step 2:
TGJ Hospital: With a referral from the GP, schedule a relevant assessment / treatment with a physician listed on TGJ Hospital. If required, get admitted to a TGJ Hospital as advised by physician.
Please refer to the corporate website for the full list of TGJ Hospital.

Co-payment Calculation:

Example 1
Customer with GMVE2-0.5 incurs a total medical expense of RM5,000.

Scenario	Paid by Customer			Paid by Company
	Deductible	Co-insurance	Total	
Follow TGJ pathway	RM500	-	RM500	min((RM5,000 – RM500), annual limit = RM5,000,000) = RM4,500
Not follow TGJ pathway	RM500	min((20% x (RM5,000 – RM500)), RM20,000) = RM900	RM1,400	min((RM5,000 – RM1,400), annual limit = RM5,000,000) = RM3,600

Description of Benefits

1. **Hospital Room and Board**
   Reimbursement of the Reasonable and Customary Charges incurred for Medically Necessary room accommodation and meals. The amount payable for this benefit shall be equal to the actual charges made by the Hospital during Hospitalisation of the Life Assured, subject to the daily rate of Hospital Room and Board, the maximum number of days and the limits stated in the Schedule of Benefits. A Life Assured will only be entitled to this benefit while confined to a Hospital as an Inpatient.

2. **Intensive Care Unit**
   Reimbursement of the Reasonable and Customary Charges for Medically Necessary actual room and board incurred during confinement of a Life Assured as an Inpatient in the Intensive Care Unit of a Hospital. The amount payable for this benefit shall be equal to the actual charges made by the Hospital, subject to the maximum number of days and the limits stated in the Schedule of Benefits. No Hospital Room and Board benefit and Intensive Care Unit benefit shall be paid concomitantly.

   For the avoidance of doubt, if Intensive Care Unit benefit is payable for a confinement period, no Hospital Room and Board benefit shall be payable for the same confinement period.

3. **Increase to the Hospital Room and Board**
   The daily limit of the Hospital Room and Board will be increased by RM50 at the end of the fifth (5th) Policy Year calculating from the Risk Effective Date, and thereafter, at the end of every five (5) Policy Years; up to a cumulative total of RM200. In all cases, every increase to the Hospital Room and Board will be accumulated and aggregated to the daily limit of Hospital Room and Board. This benefit shall be subject to the maximum number of days stated in the Schedule of Benefits.

4. **Hospital Supplies & Services**
   Reimbursement of the Reasonable and Customary Charges actually incurred for:
   - general nursing;
   - prescribed and consumed drugs and medicines;
   - dressings, splints and plaster casts;
   - x-ray;
   - laboratory examinations;
   - electrocardiograms (“ECG”);
   - physiotherapy;
   - basal metabolism tests;
   - intravenous injections and solutions; or
   - administration of blood and blood plasma including the cost of blood and plasma while the Life Assured is confined as an Inpatient in a Hospital,

   which is Medically Necessary, subject to the limits stated in the Schedule of Benefits.

5. **Surgical Fees**
   Reimbursement of the Reasonable and Customary Charges incurred for Medically Necessary surgery by Specialists, including Pre-Hospital Specialist Consultation, Treatment, Prescribed Medicines and Second Medical Opinion and Post-Hospitalisation Treatment, subject to the limits stated in the Schedule of Benefits. If more than one surgery is performed for Any One Disability, the total payments for all the surgeries performed shall not exceed the limits stated in the Schedule of Benefits.

6. **Operating Theatre**
   Reimbursement of the Reasonable and Customary Charges incurred for operating room incidental to Medically Necessary surgical procedure, subject to the limits stated in the Schedule of Benefits.

7. **Anaesthetist Fees**
   Reimbursement of the Reasonable and Customary Charges incurred for Medically Necessary administration of anaesthesia by an anaesthetist, subject to the limits stated in the Schedule of Benefits.

8. In Hospital Physician Visit

Reimbursement of the Reasonable and Customary Charges incurred for Medically Necessary Physician's visit to an Inpatient who is confined for Disability, subject to a maximum of two (2) visits per day and the limits stated in the Schedule of Benefits.

9. Organ Transplant

Reimbursement of the Reasonable and Customary Charges incurred within the number of days stated in the Schedule of Benefits immediately following discharge from Hospital for a Disability, for Medically Necessary follow-up treatment by the same attending Physician, subject to the limits stated in the Schedule of Benefits. This shall include Prescribed Medicines during the follow-up treatment but shall not exceed the supply needed for the maximum of two hundred (200) days from the date of discharge.

16. Outpatient Imaging (MRI/PET)

Reimbursement of the Reasonable and Customary Charges incurred for Medically Necessary Magnetic Resonance Imaging (“MRI”) and/or Positron Emission Tomography (“PET”) performed on account of an Injury or Illness, subject to the limits stated in the Schedule of Benefits.

Such diagnostic imaging (MRI and/or PET including consultation, treatment and prescribed medicines by a Specialist) must be received at the Outpatient department of a Hospital or a registered medical centre. Follow-up treatment by the same Specialist of a Hospital or a registered medical centre shall be provided up to a maximum of thirty (30) days from date of MRI/PET was performed. This shall include medicines prescribed during the follow-up treatment but shall not exceed the supply needed for the maximum number of days as stated in the Schedule of Benefits.

17. Genomic Testing for Cancer

Reimbursement of the Reasonable and Customary Charges incurred for Medically Necessary genomic testing for Cancer to determine the treatment option upon diagnosis of Cancer. The benefit paid under this clause shall not exceed the maximum limit per lifetime as set forth in the Schedule of Benefits. Genetic screening test is explicitly excluded for this benefit.

18. Post-Hospitalisation Home Nursing Care

Reimbursement of Reasonable and Customary Charges incurred for Medically Necessary skilled nursing care that require execution by a Registered Nurse including treatments for wound, respiratory, diabetes care, colostomy care, tube feeding, injections and other medication administration to the Life Assured in a home when prescribed by the treating Physician within two hundred (200) days immediately following the discharge from the Hospital for a Disability after a minimum of 3 consecutive days of Hospitalisation. Reasonable and Customary Charges for medical supplies consumed in and necessary to the execution of the

Post-hospitalisation Home Nursing Care will be reimbursed. This benefit shall be subject to the maximum number of days and limits as stated in the Schedule of Benefits.

19. **Post-Hospitalisation Chiropractor, Speech Therapist or Occupational Therapist**
Reimbursement of the Reasonable and Customary Charges incurred within two hundred (200) days immediately following discharge from Hospital for a Disability, for Medically Necessary follow-up chiropractic, speech therapy or occupational therapy by a Specialist or Physician, subject to the amount per visit and the number of follow up visits per disability as stated in the Schedule of Benefits.

20. **Post-Hospitalisation Traditional Chinese Medicine Practitioner**
Reimbursement of the Reasonable and Customary Charges incurred for Medically Necessary follow-up treatment by the registered Traditional Chinese Medicine Practitioner, within two hundred (200) days immediately following discharge from Hospital for a Disability, and subject to the amount per visit and the number of follow up visits per disability as stated in the Schedule of Benefits. This shall include Prescribed Medicines during the follow-up treatment but shall not exceed the supply needed for the number of visits stated in the Schedule of Benefits.

21. **Outpatient Cancer Treatment**
If a Life Assured is diagnosed with Cancer as defined below, the Company shall reimburse the Reasonable and Customary Charges incurred for the Medically Necessary cancer treatment performed at a legally registered cancer treatment centre, subject to the limits stated in the Schedule of Benefits.

Such treatments (including consultation, examination tests and prescribed take home drugs) must be received at the Outpatient department of a Hospital or a registered cancer treatment centre immediately following discharge from a Hospital. Such treatments must be licensed and approved by the Ministry of Health in Malaysia, and its prescription and administration is regulated by the relevant medical authority in Malaysia.

Cancer is defined as uncontrollable growth and spread of malignant cells with the invasion and destruction of normal tissue for which major interventionist treatment or surgery (excluding endoscopic procedures alone) is considered necessary. The term malignant tumor refers but not limited to leukemia, lymphoma and sarcoma. The cancer must be confirmed by histological evidence of malignancy (not including any carcinoma in-situ or stage 0 cancer).

In addition to the exclusion of Pre-existing Illness, this benefit shall not be payable for any Life Assured who had been diagnosed as a cancer patient and/or is receiving cancer treatment prior to the Risk Effective Date.

22. **Outpatient Kidney Dialysis Treatment**
If a Life Assured is diagnosed with Kidney Failure as defined below, the Company shall reimburse the Reasonable and Customary Charges incurred for the Medically Necessary kidney dialysis treatment performed at a legally registered dialysis centre, subject to the limits stated in the Schedule of Benefits.
Such treatment (dialysis including consultation, examination tests and prescribed take home drugs) must be received at the Outpatient department of a Hospital or a registered dialysis treatment centre immediately following discharge from Hospital.

Kidney Failure means end stage renal failure presenting as chronic and irreversible failure of both kidneys to function as a result of which renal dialysis is initiated.

In addition to the exclusion of Pre-existing Illness, this benefit shall not be payable for any Life Assured who has developed chronic renal diseases and/or is receiving dialysis treatment prior to the Risk Effective Date.

23. **Emergency Accidental Outpatient Treatment**
Reimbursement of the Reasonable and Customary Charges incurred for Medically Necessary treatment as an Outpatient at any registered Clinic or Hospital as a result of a covered bodily injury arising from an Accident, within 24 hours of such Accident and subject to the limits stated

in the Schedule of Benefits. Follow-up treatment by the same Doctor or same registered Clinic or Hospital for the same covered bodily Injury shall be provided up to a maximum of thirty (30) days from date of Accident, subject to the limits stated in the Schedule of Benefits.

24. Outpatient Treatment

In the event that the Life Assured is diagnosed with Dengue Fever, Zika Virus, Chikungunya Fever, Influenza A, Influenza B, Hand, Foot and Mouth Disease, Bronchitis or Pneumonia as defined below, the Company shall reimburse the Reasonable and Customary Charges for the Medically Necessary treatment incurred for Dengue Fever, Zika Virus, Chikungunya Fever, Influenza A or B, Hand, Foot and Mouth Disease, Bronchitis or Pneumonia that is performed at the Outpatient department of a Hospital or the registered Clinic in lieu of all other benefits. In avoidance of doubt, once the Reasonable and Customary Charges are reimbursed under this benefit, it shall not be payable under other benefits. The maximum amount the Company will reimburse for this benefit is subject to the limit as stated in the Schedule of Benefits.

Dengue Fever is defined as the clinical diagnosis of Dengue virus infection which must be established and confirmed by a confirmatory serologic testing (RT-PCR) or the positive isolation of Dengue virus and certified by the attending Doctor and Specialist.

Zika Virus is defined as the clinical diagnosis of Zika virus infection which must be established and confirmed by a confirmatory serologic testing (RT-PCR) or the positive isolation of Zika virus and certified by the attending Doctor and Specialist.

Chikungunya Fever is defined as the clinical diagnosis of Chikungunya virus infection which must be established and confirmed by a confirmatory serologic testing (RT-PCR) or the positive isolation of Chikungunya virus and certified by the attending Doctor and Specialist.

Influenza A or B is defined as the clinical diagnosis of Influenza A or B virus infection which must be established and confirmed by a confirmatory serologic testing (RT-PCR) or the positive isolation of Influenza A or B virus and certified by the attending Doctor and Specialist.

Hand, Foot and Mouth Disease is defined as the clinical diagnosis of Hand, Foot and Mouth Disease virus infection which must be established and certified by the attending Doctor and Specialist.

Bronchitis is defined as the clinical diagnosis of Bronchitis virus infection which must be established and certified by the attending Doctor and Specialist.

Pneumonia is defined as the clinical diagnosis of Pneumonia virus infection which must be established and certified by the attending Doctor and Specialist.

No other expense for Dengue Fever, Zika Virus, Chikungunya Fever Influenza A, Influenza B, Hand, Foot and Mouth Disease, Bronchitis and Pneumonia shall be payable by the Company, except for doctor consultation, diagnostic tests, treating medication or fluids and monitoring that are accompanied by a definite diagnosis of the condition with the supporting evidence of the causative virus, bacteria or parasites.

The diagnosed conditions under this Outpatient Treatment are not exhaustive and the Company may extend the eligible conditions, from time to time.

25. Daily-Cash Allowance at Malaysian Government Hospital

Pays a daily allowance for each day of confinement for a covered Disability in a Malaysian Government Hospital, provided that the Life Assured shall confine to a Hospital Room and Board rate that does not exceed the Hospital Room and Board rate and any cumulative increase to the Hospital Room and Board rate as stated in item 4 and item 6 above, subject to the maximum number of days and the limits stated in the Schedule of Benefits.

26. Daily Guardian Benefit

Reimbursement of the Reasonable and Customary Charges for meals and lodging incurred to accompany Life Assured in the Hospital. The amount payable for this benefit shall be equal to the actual charges made by the Hospital for the meals and lodging of the guardian during

Hospitalisation of the Life Assured, subject to the maximum number of days and the limits stated above.

27. Intraocular Lens

Reimbursement of Reasonable and Customary Charges incurred for Medically Necessary Intraocular Lenses for cataract surgery, subject to a maximum of Ringgit Malaysia EIGHT THOUSAND (RM8,000) per lifetime. This benefit is further subject to the limits stated in the Schedule of Benefits.

28. Medical Report Fees

Reimbursement of the Reasonable and Customary Charges incurred for medical report stipulating the details of the Disability for which the claim is made, subject to the maximum amount and the limits stated in the Schedule of Benefits.

29. Accidental Death Benefit

While this rider is in force, in the event of death of the Life Assured resulting directly and solely from an Accident, the Company shall pay an amount in one lump sum.

Provided that:

29.1 the Accident occurs on or after the Risk Effective Date and before the Policy Anniversary on which the Life Assured's age is seventy (70) years next birthday; and

29.2 the death of the Life Assured occurs within ninety (90) days of sustaining the Injury; and

29.3 written notice of such Accident with full particulars must be provided to the Company immediately upon death of the Life Assured.

30. Overseas Treatment

If the life assured is to be treated outside of Malaysia or was hospitalized for a medical treatment outside of Malaysia, benefits in respect of the treatment shall be limited to the reasonable and customary charges for such equivalent treatment in Malaysia and shall exclude the cost of transportation to the place of treatment.

31. Residence Overseas

No benefit whatsoever shall be payable for any medical treatment received by the Life Assured outside Malaysia apart from Singapore and Brunei, if the Life Assured resides or travels outside Malaysia apart from Singapore and Brunei, for more than ninety (90) consecutive days.
