INVESTMENT-LINKED HEALTHCARE BENEFIT (IL-HCB)
(PLAN CODE: U53, U54, U55, U56, U57)

Plan Description

- This is an Optional Benefit designed to provide benefits on the life of the Life Assured of Investment-Linked Policies.
- Insurance charges will be deducted from the unit fund.
- This option can be attached **at any time effective at next monthly due.**

Plan Benefits

In the event of expenses incurred on the insured due to accident or illness (subject to exclusive) or any other covered eventuality, the plan will reimburse such expenses based on the relevant coinsurance percentages and minimum co-insurance amounts, up to the limits and sub-limits according to the plan purchased as stated in the Schedule of Benefits. Compensation may be claimed from the start of a course of covered treatment until the time it is confirmed by the medical opinion acceptable to the Company that such treatment is no longer necessary.

Medical reimbursements provided under these Plans shall commence for:
i) Illness occurring more than 30 days after the effective date of the Plan.
ii) Accidental injury occurring after the effective date of the Plan.

5 types of Plans, named as HCB-100, HCB-150, HCB-200, HCB-300 and HCB-400 are available. The Schedule of Benefits are described as follows:

<table>
<tr><th rowspan="2">No</th><th rowspan="2">Insured Benefits (RM)</th><th colspan="5">Investment-Linked HealthCare Benefit</th></tr>

</table>

Note :

1) The co-insurance cap is only applicable for total claims payable amount and in the order of the incurred date.

2) The Company reserves the right to revise the co-insurance cap by giving thirty (30) days notice.

3) A co-insurance cap of RM3,000 for the amount is set. However, if you choose to upgrade to a higher room & board level, the co-insurance cap is not applicable.

INVESTMENT-LINKED HEALTHCARE BENEFIT (IL-HCB)
(PLAN CODE: U53, U54, U55, U56, U57)

Schedule of Co-Payment

Description	Co-Payment Type A **Applicable if Life Assured stays in room that costs equal or lesser than the R&B limit per day purchased (a deviation up to RM50 is allowed)**	Co-Payment Type B **Applicable if Life Assured stays in room that costs at least RM 51 higher than the R&B limit per day purchased**
Co-Insurance Percentage	90% borne by the Company up to the co-insurance cap 10% borne by the Life Assured	80% borne by the Company up to the co-insurance cap 20% borne by the Life Assured
Co-Insurance Cap Per Disability	RM 15,000 per disability Amount in excess of the Co-Insurance Cap is not subject to Co-Insurance.	RM 15,000 per disability Amount in excess of the Co-Insurance Cap is subject to co-insurance percentage of 10/90.

Note :
1) Co-insurance cap is only applicable for total claims payable amount and in the order of the incurred date.
2) The Company reserves the right to revise the minimum co-insurance and co-insurance cap by giving thirty (30) days notice.
3) A co-insurance cap of RM3,000 for the amount is set. However, if you choose to upgrade to a higher room & board level, the co-insurance cap is not applicable.

Description Of Benefits

1. Hospital Room & Board

The daily charges incurred for hospitalization accommodation and meals for each day of hospitalization as a registered bed-paying patient in a Hospital, subject to the daily limits as stated in the Schedule of Benefits and up to a maximum of one hundred and eighty (180) days of hospitalization confinement per policy year.

2. Intensive Care Unit

The daily charges for confinement in an Intensive Care Unit or Coronary Care Unit, subject to a maximum of thirty (30) days of confinement per policy year and shall be included within the maximum number of days allowed under “Hospital Room & Board" benefit.

3. Hospitalisation Expenses

The company shall reimburse the hospital charges in respect of services and supplies provided by the hospital during the hospitalization. The benefit shall include the following:

- drugs and medicines
- dressing ordinary splints and plaster casts
- laboratory examinations
- basal metabolism test
- electrocardiograms
- physiotherapy
- X-ray therapy, X-ray examinations

- intravenous infusions
- the cost of administration of blood and plasma
- ambulance services
- general nursing care for each day of hospitalization as a registered bed paying patient in hospital
- specialist consultation during hospital confinement and
- in-hospital doctor visits (limited to 1 visit per day).

The Company reserves the right to exclude hospital charges which are deemed medically unnecessary for the course of hospitalization.

4. Day Care Benefit

The company shall reimburse the reasonable and customary charges for the provision of a medically necessary surgery requiring less then 12 hours hospitalisation that is commonly performed safely on an Outpatient basis. If such type of surgical procedure is performed while the Life Assured is an inpatient, only the equivalent Day Care Benefit will be paid, unless prior approval has been given by the Company's appointed Medical Practitioner. The benefit shall include the following but not limited to:

- Adenoidectomy
- Arthroscopy
- Bronchoscopy
- Bunionectomy
- Cataract removal
- Cholecystectomy
- Colonoscopy
- Coronary angiography
- Cystourethroscopy
- Digestive tract endoscopy
- Dilatation and curettage of uterus
- Simple excision of pilonidal cyst
- Haemorrhoidectomy
- Hammer toe repair
- Laparoscopy, Laryngoscopy and tracheoscopy
- Lumbosacral manipulation
- Morton's neuroma
- Myringotomy
- Prostate biopsy
- Reduction of nasal fracture
- Release of carpal tunnel
- Strabismus repair and Tonsillectomy

5. Surgical Fees

The company shall reimburse the following subject to the provision as appearing in item V of the Benefits Schedule:

i) the surgeon's fees

ii) anaesthetist's fee, anaesthesia and oxygen and their administration

iii) operating theatre which includes charges for use of operating room, treatment rooms and equipment

Provided that items (i) and (ii) shall not exceed the limits recommended in the MMA Guidelines.

6. Organ Transplant

The medical treatment costs incurred in respect of kidney, heart, lung, liver and bone marrow transplants only. The cost of acquisition of the organ and all costs incurred by the donor are not covered. Payment for this Benefit is applicable only once per lifetime whilst the Plan is in-force and shall be subject to the limits as set forth in the Schedule of Benefits.

7. Pre-Hospitalisation/Pre-surgical Treatment

Charges incurred while this Plan is in force for specialist consultation, pathology, radiography or other medically necessary diagnostic procedures ordered by a Medical Practitioner and within sixty (60) days of such treatment, the same injury/illness requires hospital confinement or day surgery. Benefit is not payable for medications charged by the Medical Practitioner

8. Post-Hospitalisation Treatment

The medical expenses incurred while the Plan is in force for follow-up medically necessary treatment with the same medical practitioner after having being discharged from Hospital. Such expenses incurred within thirty (30) days from the day of Hospital discharge is covered.

9. Emergency Accident Out-patient Treatment

Reimbursement of the reasonable and customary charges incurred as a result of a covered bodily injury arising from an accident for medical necessary treatment as an outpatient at any registered clinic or hospital within 24 hours of the accident causing the covered bodily injury. Follow up treatment by the same doctor or same registered clinic or hospital for the same covered bodily injury will be provided, subject to the maximum amount payable per annum depending on the chosen plan and maximum of 30 days from the date of the accident.

10. Out-patient Cancer Treatment

Reimbursement of the reasonable and customary charges incurred for a medically necessary treatment of cancer performed at a legally registered cancer treatment centre. Such treatment (radiotherapy or chemotherapy excluding consultation, examination tests, take home drugs) must be received at the out-patient department of a hospital or a registered cancer treatment centre immediately following discharge from hospital confinement or surgery.

11. Out-patient Kidney Dialysis Treatment

Reimbursement of the reasonable and customary charges incurred for a medically necessary treatment of kidney dialysis performed at a legally registered dialysis centre. Such treatment (dialysis excluding consultation, examination tests, take home drugs) must be received at the out-patient department of a hospital or a registered dialysis treatment centre immediately following discharge from hospital confinement or surgery.

All episodes of kidney failure will be considered to be part of the same disability.

12. Annual Overall Limit

The maximum limit payable for all the benefits listed under items (I) to (XI) as per Schedule of Benefits and the limit is specified in item (XII) of the Schedule of Benefits is applicable for the Life Assured within any specific Policy Year.

13. Lifetime Overall Limit

The total overall limit, in aggregate, is payable to the Assured with respect to coverage of the Life Assured from the Risk Commencement Date and the limit is specified in item (XIII) as per Schedule of Benefits.

14. Government Hospital Daily Cash Allowance

Pays a daily cash allowance for each day of confinement for a covered disability in a Malaysian government hospital, provided that the life assured shall confine to a room and board rate that does not exceed the amount entitled.

15. Executive Second Opinion

If the life insured is diagnosed with any of the 40 Major Medical Condition, he/she is entitled to a second opinion provided life assured has attained age 21 next birthday and above. However, for attained age 20 next birthday and below, he/she is entitled to 49 Major Medical Conditions (please refer to Appendix 1 for list of 49 Major Medical Conditions).

(i) File Review
The Panel will prepare a report, which will summarize the documentation of review data, findings and observations and other treatment alternatives. In addition, the File Review will include a recommendation for the medical necessity of a treatment plan, procedure, length of stay, level of care, discharge plan of future or ongoing services. Second surgical opinion issues may also be addressed in the report.

(ii) Tele-Consultation of Medical Opinion
After the receipt of the medical File Review as described in (i) above, the Life Assured shall be entitled for a free telephone medical consult with the Panel for a period not exceeding one (1) hour. The telephone medical consult refers to a medical/surgical, psychiatric or allied health telephonic discussion on a specific case with the Panel. Issues to be addressed include medical necessity of treatment, appropriateness of site of treatment, proper length of stay and discharge planning which are in addition to the requirements stated in the File Review above.

The Company reserves the right to amend the provision of this benefit at any time, by giving 30-day notice, subject to the availability of this benefit at reasonable costs from the Service Provider.

This benefit is limited to one (1) consultation per Major Medical condition per year. Maximum second opinions entitled per lifetime are three (3) consultations.

16. Emergency Assistance Services

The company has arranged with AEA International ("Supreme Assist") to provide Overseas and Domestic Emergency Medical Assistance Services. The membership card will be issued to the Life Assured, which shall be used as means of verification of eligibility for the Emergency Assistance Services.

(i) Overseas Emergency Medical Assistance
An insured may call Supreme Assist from anywhere in the world to obtain the assistance or services. The following services are applicable to the Insured who is traveling outside Malaysia for a period not exceeding 90 consecutive days on any one trip.

(a) Travel Assistance
- Visa
- Information Services
- Inoculation Information Services
- Weather Information Services
- Foreign Exchange Information Services
- Interpreter Assistance and
- Legal Referral

(b) International Medical Assistance
- Emergency Message Transmission
- Telephone Medical Advice
- Medical Service Provider Referral
- Arrangement of Appointments with Doctors
- Arrangement for Hospital Admission
- Arrangement and Payment of Emergency Medical Evacuation
- Arrangement and Payment of Emergency Medical Repatriation
- Arrangement and Payment of Repatriation of Mortal Remains
- Arrangement and Payment of Compassionate Visit for a relative or friend
- Arrangement and Payment of Return of up to three minor children, if such child or children is or are left unattended

(ii) Domestic Emergency Medical Assistance
The following services are applicable to the Life Assured within Malaysia:

a. Emergency Message Transmission
b. Medical Service Provider Referral

The following services are applicable to the Insured travelling outside their State of Residence in Malaysia for a period not exceeding 90 consecutive days for any one trip:

a. Arrangement and Payment of Emergency Medical Evacuation
b. Arrangement and Payment of Emergency Medical Repatriation

The Company reserves the right to amend the provision of this benefit at any time, by giving 30-day notice, subject to the availability of this benefit at reasonable costs from the Service Provider. The maximum amount payable by the Company in respect of this benefit per person per event is limited to RM500,000.

Renewal/Change in Occupation

(1) The renewal of this Benefit is guaranteed (subject to portfolio withdrawal). The risk charge rates may be changed from time to time as the Company may determine at its sole discretion. Such changes, if any, shall be applicable to all Insured Persons irrespective of their claim experience.

(2) The Insured Person must inform the Company of any change in the nature of his or her occupation. The Company may at its discretion alter any provisions, terms, conditions and benefits of the Plan.
