IL WAIVER OF PREMIUM PLUS (WP-PLUS)
FOR INVESTMENT-LINKED POLICY ONLY
(PLAN CODE: U63)

PLAN DESCRIPTION

1. This rider is an optional unit deduction rider that can be attached to any Regular Premium Investment-Linked policies.
2. This rider waives all annual premiums for Investment-Linked policies upon Total and Permanent Disability or occurrence of any 36 critical illnesses whichever is earlier.
3. Insurance charges will be deducted from the unit fund(s). This option can be attached at any time effective at next monthly due.
4. This rider cannot co-exist with existing Waiver of Premium – Dread Disease (U26) or Waiver of Premium – TPD (U31) in any one policy.

PLAN BENEFITS

The *designated premium** under the regular premium investment-linked plan will be waived, if any of the following events occur within the benefit term chosen:

(a) Total and Permanent Disability after age 5 next birthday and before age 65 next birthday; or
(b) Upon occurrence of any of the 36 critical illnesses, whichever is earlier.

The designated premium amount as specified by the Life Assured will be waived until and inclusive the premium preceding the expiry of the rider benefit term.

*Designated Premium (by mode) = Benefit Amount / n
n = 1 for annual mode, 2 for half yearly, 4 for quarterly, 12 for monthly

Note:

(i) The designated premium to be waived will be credited by the Company into each fund as per apportionment amount chosen by the Life Assured prior to the happening of any of the above events. Policyholder may change the apportionment by filling up a form.
(ii) Upon claim of this rider, policyholder can still top-up his / her investment.
(iii) Annual premium paid in advance will be treated as a single premium top-up upon WP-Plus claim.
(iv) Premium increment is not allowed after a WP-Plus claim.

INSURANCE CHARGE

Monthly Insurance Charge will vary according to age next birthday at last policy anniversary, sex and smoking status of the payer. Monthly insurance charge is deducted by cancellation of units at the beginning of each policy month based on Sum Assured, calculated using the formula below:

$$\text{Monthly Insurance Charge} = \frac{\text{Insurance Charge} * \text{Sum Assured}}{1000 \times 12}$$

UNDERWRITING

Minimum / Maximum Age at Entry
Minimum : 1 month attained age
Maximum : 64 age next birthday

Risk Charge Term / Benefit Term / Coverage Term
Minimum : 5 years

Maximum : The lower of [70 minus Life Assured's age next birthday at entry of rider, Expiry age of the basic plan minus the age next birthday at entry of this rider]

* Risk Charge Term means the period where insurance charges are being levied.
Benefit Term means the period where the premiums are waived upon TPD or if the policyholder is diagnosed with one of the covered events.
The policyholder does not need to specify the risk charge term, but needs to specify the benefit term.

Benefit Amount (i.e. Annual Premium to be waived)
The total premium to be waived subject to a maximum of:
(a) RM 24K per annum or equivalent amounts for monthly, quarterly and half-yearly pay mode; or
(b) Basic Annual Premium and premiums in respect of all riders and supplementary benefits where applicable, whichever is lower.

The maximum amount waived is further subject to the constraint that the fund value at the end of year over the first 5 years with the high illustrated investment return must be positive.

Sum Assured (for the Calculation of Monthly Insurance Charge ONLY)
Rider sum assured (for calculation of monthly insurance charges) is defined as
Min [Max Premium to be waived (by mode), Basic Instalment Premium] x a_1 + [Supplementary Benefit Instalment Premium] x a_2

Where

$a_1 = \frac{1-(1+i)^{-T_1}}{i}$ $a_2 = \frac{1-(1+i)^{-T_2}}{i}$

i = $1.055^{1/n}-1$
n = 1 for annual, 2 for half-yearly, 4 for quarterly, and 12 for monthly modes.
T_1 = The remaining number of Basic Instalment Premium (up to the expiry of IL Waiver of Premium Plus term) as at the date of calculation excluding the one becoming due on the day of calculation.
T_2 = The remaining number of supplementary benefit instalment premium (up to the expiry of the supplementary benefit or IL Waiver of Premium Plus, whichever is earlier) as at the date of calculation excluding the one becoming due on the day of calculation.

****** Maximum Premiums to be waived
The maximum premiums to be waived are based on the table below:

Mode of Payment	Maximum Basic Premium to be waived per life
Annual	RM24, 000
Half Yearly	RM12, 000
Quarterly	RM6, 000
Monthly	RM2, 000

Female Rate
Separate rates applicable for female

Smoker Rate
Separate rates applicable

Non-Medical Limits
The formula for determining the non-medical limits for the WP-Plus is as follows:

Child:
30% x max [Benefit Amount under WP-Plus + Annual Premium of Supplementary Benefits / Rider, RM 24,000] x min [Coverage Term of WP-Plus, 10]

Adult:

30% x max [Benefit Amount under WP-Plus + Premium of Supreme LadySpecial (U10), RM 24,000] x min [Coverage Term of WP-Plus, 10]

The aggregate amount of premium to be waived under this and all IL Waiver of Premium Plus, Waiver of Premium – DD, Waiver of Premium – TPD, Payer Benefit, Payer Benefit Plus and any future coverage by the Company pursuant to any other waiver of premium rider by any other name or description (which waives a defined premium upon diagnosis of one of the 36 critical illnesses or upon TPD of the same person) on the same life shall be up to a maximum of RM 24,000 per annum.

Please note that Waiver of Premium – TPD and Payer Benefit will still be subjected to an aggregate amount of RM30,000 per annum. (inclusive of any TPD claim under this IL Waiver of Premium Plus)
