Refer to the basic plan.

3. **Assignment / Third Party Policy / Nomination / Reinstatement**

Follows the basic plan.

Smart Baby Shield (*Plan Code: U95A & U95B)*

Definitions

EXCLUSIONS

The Company will not pay any Cover for the Mother of Life Assured (U95A) benefit for death or illnesses or conditions that:

- existed prior to or on the Risk Effective Date; or
- is caused directly or indirectly by self-inflicted injuries, while sane or insane; or
- is resulted from the Mother of Life Assured committing, attempting or provoking an assault or a felony or from any violation of law by Mother of Life Assured; or
- is caused while under the influence of alcohol or drugs unless taken as prescribed by a Doctor. For the avoidance of doubt, a person is considered as under the influence of alcohol if the breath, blood or urine test result is over the following limit:
    - 35 mcg of alcohol per 100ml of breath
    - 80mg of alcohol per 100ml of blood
    - 107 mg alcohol per 100ml of urine; or
- is caused directly or indirectly by the existence of Acquired Immune Deficiency Syndrome (AIDS) or by the presence of any Human Immuno-deficiency Virus (HIV) infection. The Company reserve the right to require the Mother of Life Assured to undergo a blood test for HIV as a condition precedent to acceptance of any claim; or
- is resulted from Mother of Life Assured choosing to have a termination of pregnancy other than for medical reasons; or
- is caused by any complications resulting from fertility treatment including in-vitro fertilisations; or
- is caused by any unlawful, criminal or deliberate act or failure to act; or
- is resulted from war, whether declared or undeclared.

The Company will not pay any Cover for the Life Assured (U95B) benefit for death or illnesses or conditions that:

- is caused by usage of drugs unless taken as prescribed by a Doctor.
- is caused directly or indirectly by the existence of Acquired Immune Deficiency Syndrome (AIDS) or by the presence of any Human Immuno-deficiency Virus (HIV) infection. The Company reserve the right to require the Life Assured to undergo a blood test for HIV as a condition precedent to acceptance of any claim; or
- is caused by any complications resulting from fertility treatment including in-vitro fertilisations; or
- is caused by any unlawful, criminal or deliberate act or failure to act; or
- is resulted from war, whether declared or undeclared.

No payment of benefits will be made for Accidental Death for any Injury which occurs prior to delivery and 1 month after delivery and resulting in loss suffered, as a result of, including any of the following whether directly or indirectly:

1. suicide, attempted suicide or self-inflicted injuries, while sane or insane;
2. bodily infirmity, or mental or functional disorder, or illness or disease of any kind, or any infections, other than infections occurring simultaneously with and in consequence of an accidental cut or wound;
3. war or any act of war, declared or undeclared, criminal activities, active duty in any armed forces, direct participation in strike, riots and civil commotion or insurrection;

Smart Baby Shield **(*Plan Code: U95A & U95B)***

4. from the action of any armed forces, or from Accident or violence arising by reason of the existence of a state of armed conflict;
5. engaging in aerial flights other than as a crew member or as a fare-paying passenger of a licensed commercial airline operating on a regular scheduled route;
6. as a result of the mother committing, attempting or provoking an assault or a felony, or from any violation or attempted violation of law by the mother or resistance to arrest;
7. while under the influence of alcohol or drugs unless taken as prescribed by a Doctor. For the avoidance of doubt, a person is considered as under the influence of alcohol if the breath, blood or urine test result is over the following limit:
   7.1 35 mcg of alcohol per 100ml of breath
   7.2 80mg of alcohol per 100ml of blood
   7.3 107 mg alcohol per 100ml of urine;
8. Injury arising from racing of any kind (except for foot racing), hazardous sports or activities that involve speed, height, high level of physical exertion, highly specialised gear or spectacular stunts such as but not limited to bungee jumping, parachuting, scuba diving, sky-diving, water skiing, underwater activities requiring breathing apparatus, winter sports, Professional Sports and illegal activities. For the avoidance of doubt, “Professional Sports” means engaging in any physical activity in a professional capacity or where the Mother of Life Assured would or could earn income or remuneration from engaging in such activity;
9. from childbirth, pregnancy and/or any complications thereof;
10. ionising radiation or contamination by radioactivity from any nuclear fuel or nuclear waste from process of nuclear fission or from any nuclear weapons material; or
11. from the mother engaging in commando or bomb disposal duties/training.
