| d. | Daily-Cash Allowance at Malaysian Government Hospital | Benefits will be payable for transfer to or from any private hospital and Malaysian Government Hospital for the Covered Disability. |

2. Great MediCare is subject to 6% GST.

The following are the original product details.

## PLAN DESCRIPTION

This is an individual non-participating, long-term stand-alone comprehensive medical insurance policy. Benefits provided are subjected to individual annual and lifetime overall limits, as stated in the Schedule of Benefits.

## PLAN BENEFITS

In the event of expenses incurred on the insured due to accident or illness (subject to exclusions) or any other covered eventuality, the policy will reimburse such expenses based on the relevant co-insurance percentages and minimum co-insurance amounts, up to the limits and sub-limits according to the plan purchased as stated in the Schedule of Benefits.

Compensation may be claimed from the start of a course of covered treatment until the time it is confirmed by the medical opinion acceptable to the Company that such treatment is no longer necessary.

Medical reimbursements provided under this policy shall commence for:

i) Illness occurring more than 30 days after the effective date of the policy
ii) Accidental injury occurring on or after the effective date of the policy

4 types of plans, named as GMC-100, GMC-150, GMC-200 and GMC-300 are available.

# **Great MediCare (GMC)** (Plan code: 0265 + (H24, H25, H26 & H27) or H200, H201, H202 & H203)

(Traditional Insurance Plan)

**DESCRIPTION OF BENEFITS AVAILABLE**

(1) Hospital Room & Board

Reimbursement of the Reasonable and Customary Charges incurred for Medically Necessary room accommodation and meals. The amount payable for this benefit shall be equal to the actual charges made by the Hospital during Hospitalisation of the Life Assured, subject to the daily rate of Hospital Room and Board, the maximum number of days and the limits stated in the Schedule of Benefits. A Life Assured will only be entitled to this benefit while confined to a Hospital as an Inpatient.

(2) Intensive Care Unit

Reimbursement of the Reasonable and Customary Charges for Medically Necessary actual room and board incurred during confinement of a Life Assured as an Inpatient in the Intensive Care Unit of a Hospital. The amount payable for this benefit shall be equal to the actual charges made by the Hospital, subject to the maximum number of days and the limits stated in the Schedule of Benefits. No Hospital Room and Board benefit and Intensive Care Unit benefit shall be paid concomitantly. For the avoidance of doubt, if Intensive Care Unit benefit is payable for a confinement period, no Hospital Room and Board benefit shall be payable for the same confinement period.

(3) Hospital Supplies & Services

Reimbursement of the Reasonable and Customary Charges actually incurred:

- general nursing;
- Prescribed and consumed drugs and medicines;
- dressings, splints, plaster casts;
- x-ray;
- laboratory examinations;
- electrocardiograms;
- physiotherapy;
- basal metabolism tests;
- intravenous injections and solutions; or
- administration of blood and blood plasma but excluding the cost of blood and plasma
- whilst the Life Assured is confined as an Inpatient in a Hospital,

which is Medically Necessary, subject to the limits stated in the Schedule of Benefits.

(4) Surgical Fees

Reimbursement of the Reasonable and Customary Charges incurred for Medically Necessary surgery by the Specialists, including Pre-Hospital Specialist Consultation and Post-hospitalisation Treatment, subject to the limits stated in the Schedule of Benefit. If more than one surgery is performed for Any One Disability, the total payments for all the surgeries performed shall not exceed the limits stated in the Schedule of Benefits.

(5) Operating Theatre

Reimbursement of the Reasonable and Customary Charges incurred for operating room incidental to Medically Necessary surgical procedure, subject to the limits stated in the Schedule of Benefits.

(6) Anaesthetist Fees

Reimbursement of the Reasonable and Customary Charges incurred for Medically Necessary administration of anaesthesia by the anaesthetist, subject to the limits stated in the Schedule of Benefits.

(7) In Hospital Physician Visit
Reimbursement of the Reasonable and Customary Charges incurred for Medically Necessary Physician's visit to an Inpatient who is confined for Disability, subject to a maximum of two (2) visits per day and the limits stated in the Schedule of Benefits.

(8) Pre-Hospital Diagnostic Tests
Reimbursement of the Reasonable and Customary Charges incurred within sixty (60) days preceding Hospitalisation, for Medically Necessary ECG, x-ray and laboratory tests which are recommended by a qualified medical practitioner and performed for diagnostic purposes on account of an Injury or Illness and in connection with a Disability, subject to the limits stated in the Schedule of Benefits. No payment shall be made if the Life Assured does not result in Hospitalisation for the treatment of the medical condition diagnosed upon such diagnostic services. In addition, medications and consultation charged by the medical practitioner shall not be payable.

(9) Pre-Hospital Specialist Consultation
Reimbursement of the Reasonable and Customary Charges incurred within sixty (60) days preceding Hospitalisation, for Medically Necessary first time consultation by a Specialist in connection with a Disability provided that such consultation has been recommended in writing by the attending general practitioner, subject to the limits stated in the Schedule of Benefits.
No payment shall be made for clinical treatment (including medications and subsequent consultation after the Illness is diagnosed) or where the Life Assured does not result in Hospitalisation for the treatment of the medical condition diagnosed.

(10) Post-hospitalisation Treatment
Reimbursement of the Reasonable and Customary Charges incurred within thirty (30) days immediately following discharge from Hospital for a Disability, for Medically Necessary follow-up treatment by the same attending Physician, subject to the limits stated in the Schedule of Benefits. This shall include Prescribed Medicines during the follow-up treatment but shall not exceed the supply needed for the maximum of thirty (30) days from the date of discharge.

(11) Organ Transplant
Reimburses of the Reasonable and Customary Charges incurred on transplantation surgery for the Life Assured being the recipient of the transplant of a kidney, heart, lung, liver or bone marrow. This benefit is applicable only once per lifetime while this Annexure is in force and shall be subject to the limits stated in the Schedule of Benefits. The costs of acquisition of the organs and all costs incurred by the donors are not covered under this Annexure.

(12) Ambulance Fees
Reimbursement of the Reasonable and Customary Charges incurred for Medically Necessary domestic ambulance services (inclusive of attendant) to and/or from the Hospital, subject to the limits stated in the Schedule of Benefits. No payment shall be made if the Life Assured is not hospitalised.

(13) Day Surgery
Reimbursement of the Reasonable and Customary Charges incurred for a Medically Necessary Day Surgery. This shall be limited to the following surgical procedures which are commonly performed safely as Day Surgery:

- Cataract removal;
- Colonoscopy;
- Extra corporeal Shock Wave Lithotripsy;
- Laparoscopy;
- Laryngoscopy;
- Reduction of nasal fracture;

- Release of carpal tunnel.

If any such surgical procedure is performed while the Life Assured is an Inpatient, only the equivalent benefit of Day Surgery shall be paid, unless the Company's appointed medical practioner has given prior approval.

(15) Outpatient Cancer Treatment

If a Life Assured is diagnosed with Cancer as defined below, the Company shall reimburse the Reasonable and Customary Charges incurred for the Medically Necessary cancer treatment performed at a legally registered cancer treatment center, subject to the limits stated in the Schedule of Benefits.

Such treatment (radiotherapy or chemotherapy excluding consultation, examination tests and take home drugs) must be received at the Outpatient department of a Hospital or a registered cancer treatment centre immediately following discharge from Hospital.

**Cancer** is defined as the uncontrollable growth and spread of malignant cells and the invasion and destruction of normal tissue for which major interventionist treatment or surgery (excluding endoscopic procedures alone) is considered necessary. The cancer must be confirmed by histological evidence of malignancy. The following conditions are excluded:

- Carcinorma in situ including of the cervix;
- Ductal Carcinorma in situ of the breast;
- Papillary Carcinorma of the bladder & Stage 1 Prostate Cancer;
- All skin cancers except malignant melanoma;
- Stage 1 Hodgkin's disease;
- Tumours manifesting as complications of AIDS.

In addition to the exclusion of Pre-existing Illness, this benefit shall not be payable for any Life Assured who had been diagnosed as a cancer patient and/or is receiving cancer treatment prior to the Risk Effective Date.

(16) Outpatient Kidney Dialysis Treatment

If a Life Assured is diagnosed with Kidney Failure as defined below, the Company shall reimburse the Reasonable and Customary Charges incurred for the Medically Necessary kidney dialysis treatment performed at a legally registered dialysis center, subject to the limits stated in the Schedule of Benefits.

Such treatment (dialysis excluding consultation, examination tests and take home drugs) must be received at the Outpatient department of a Hospital or a registered dialysis treatment centre immediately following discharge from Hospital.

**Kidney Failure** means end stage renal failure presenting as chronic and irreversible failure of both kidneys to function as a result of which renal dialysis is initiated.

In addition to the exclusion of Pre-existing Illness, this benefit shall not be payable for any Life Assured who has developed chronic renal diseases and/or is receiving dialysis treatment prior to the Risk Effective Date.

(17) Emergency Accidental Outpatient Treatment

Reimbursement of the Reasonable and Customary Charges incurred for Medical Necessary treatment as an Outpatient at any registered Clinic or Hospital as a result of a covered bodily injury arising from an Accident, within 24 hours of such Accident and subject to the maximum amount and the limits stated in the Schedule of Benefits. Follow-up treatment by the same Doctor or same registered Clinic or Hospital for the same covered bodily Injury shall be provided up to a maximum of thirty (30) days from date of Accident, subject to the maximum amount and the limits stated in the Schedule of Benefits.

(18) Daily-Cash Allowance at Malaysian Government Hospital

Pays a daily allowance for each day of confinement for a covered Disability in a Malaysian Government Hospital, provided that the Life Assured shall confine to a Hospital Room and Board rate that does not exceed the amount stated in the Schedule of Benefits.

No payment shall be made for any transfer to or from any private Hospital and Malaysian Government Hospital for the covered Disability.

(19) Overall Annual Limit
The maximum of Eligible expenses with respect to coverage of the Life Assured within any specific Policy Year of all the Insured benefits listed under items (I) to (XVII) of the Schedule of Benefits and the said limit is specified in item (XVIII) of the Schedule of Benefits.

(20) Overall Lifetime Limit
The limit applying to the total benefit paid, in aggregate, with respect to coverage of the Life Assured since the Risk Commencement Date and the said limit is specified in item (XX) of the Schedule of Benefits.

(21) Executive Second Opinion
A second opinion can be obtained from an approved medical institution for any covered conditions. The ESO services inclusive of a report which summarises the documentation of review data, findings and observations, other treatment alternatives, recommendation for the medical necessity of a treatment plan, procedure, length of stay, level of care, future discharge plan, second surgical opinion issues and followed by telephone consultation from specialist, subject to terms & conditions. This benefit is limited to one consultation per covered condition per year, maximum entitled three consultations per lifetime.

Kindly refer to individual policy contract for details of the 49 Covered Conditions.

**(i) File Review**
The Panel will prepare a report, which will summarize the documentation of review data, findings and observations and other treatment alternatives. In addition, the File Review will include a recommendation for the medical necessity of a treatment plan, procedure, length of stay, level of care, discharge plan of future or ongoing services. Second surgical opinion issues may also be addressed in the report.

**(ii) Tele-Consultation of Medical Opinion**
After the receipt of the medical File Review as described in (i) above, the Life Assured shall be entitled for a free telephone medical consult with the Panel for a period not exceeding one (1) hour. The telephone medical consultation refers to a medical/surgical, psychiatric or allied health telephonic discussion on a specific case with the Panel. Issues to be addressed include medical necessity of treatment, appropriateness of site of treatment, proper length of stay and discharge planning which are in addition to the requirements stated in the File Review above.

The Company reserves the right to amend the provision of this benefit at any time, by giving 30-day notice, subject to the availability of this benefit at reasonable costs from the Service Provider.

This benefit is limited to one (1) consultation per covered condition per year. Maximum second opinions entitled per lifetime are three (3) consultations.

(22) Supreme Assist (Emergency Assistance Services)
The company has arranged with Supreme Assist to provide Overseas and Domestic Emergency Medical Assistance Services. The membership card will be issued to the Life Assured which shall be used as means of verification of eligibility for the Emergency Medical Assistance Services.

(i) Overseas Emergency Medical Assistance
The Life Assured may call Supreme Assist from anywhere in the world to obtain the assistance or services. The following services are applicable to the Life Assured who is travelling outside Malaysia for a period not exceeding 120 consecutive days on any one trip

(a) Travel Assistance
Visa Information Services, Inoculation Information Services, Weather Information Services, Foreign Exchange Information Services, Interpreter Assistance, Legal Referral, Embassy Referral, Lost Luggage Assistance and Lost Passport Assistance.

(b) International Medical Assistance
Emergency Message Transmission, Telephone Medical Advice, Medical Service Provider Referral, Arrangement of Appointments with Doctors, Arrangement for Hospital Admission, Arrangement of Hotel Accommodation, Arrangement and Payment of Emergency Medical Evacuation, Arrangement and Payment of Emergency Medical Repatriation, Arrangement and Payment of Repatriation of Mortal Remains, Arrangement and Payment of Compassionate Visit for a relative or friend, Arrangement and Payment of Return of up to three minor children, if such child or children is or are left unattended

(ii) Domestic Emergency Medical Assistance
The following services are applicable to the Life Assured within Malaysia but outside his state of residence in Malaysia:
(a) Emergency Message Transmission
(b) Medical Service Provider Referral

The following services are applicable to the Life Assured travelling outside his State of Residence in Malaysia for a period not exceeding 120 consecutive days for any one trip:
(a) Arrangement and Payment of Emergency Medical Evacuation
(b) Arrangement and Payment of Emergency Medical Repatriation
(c) Arrangement for Hospital Admission

The Company reserves the right to amend the provision of this benefit at any time, by giving 30-day notice, subject to the availability of this benefit at reasonable costs from the Service Provider.

The maximum amount payable by the Company in respect of this benefit per person per event is limited to RM500,000.

## OTHER BENEFITS

1. **Death, Total and Permanent Disability (TPD), Maturity and Survival Benefits.**
   Not Applicable

## PREMIUM

Annual premium chargeable in any policy year depends on attained age next birthday of the Life Assured.

Premium can be paid annually, half-yearly, quarterly or monthly. Premium can be paid by cash, cheque, or credit card for all modes of payment. Grace Period of 30 days is given.

In case where premium payments are made other than yearly premium, the following factors are to be applied to the yearly premium to arrive at the installment premium:

# **Great MediCare (GMC)** (Plan code: 0265 + (H24, H25, H26 & H27) or H200, H201, H202 & H203)

(Traditional Insurance Plan)

| Mode of Premium Payment | Factors |
|---|---|
| Half-Yearly | 0.5100 |
| Quarterly | 0.2575 |
| Monthly | 0.0875 |

Policy fee and stamp duty are not applicable.
