5.1 Reasonable and Customary Charges for a Medically Necessary surgery by the Specialists, including pre-surgical assessment Specialist's visits to the Life Assured and post-surgery care, but within the maximum indicated in the Schedule of Benefits; and

5.2 Reasonable and Customary Charges by the Anaesthetist for the Medically Necessary administration of anaesthesia; and

5.3 Reasonable and Customary Operating Room charges incidental to the surgical procedure.

If more than one surgery is performed for Any One Disability, the total payments for all the surgeries performed shall not exceed the limits stated in item (V) of the Schedule of Benefits.

(6) Organ Transplant

Reimburses Reasonable and Customary Charges incurred on transplantation surgery for the Life Assured being the recipient of the transplant of a kidney, heart, lung, liver or bone marrow. Payment for this benefit is applicable only once per lifetime whilst the Policy is in force and shall be subject to the limits as set forth in item (VI) of the Schedule of Benefits. The costs of acquisition of the organs and all costs incurred by the donors are not covered.

(7) Pre-Hospitalisation Treatment

Reimbursement of the Reasonable and Customary Charges for

7.1 Medically Necessary ECG, X-ray and laboratory tests which are performed for diagnostic purposes on account of an injury or illness when in connection with a Disability preceding hospitalization within the maximum number of days and limits as set forth in item (VII) of the Schedule of Benefits in a Hospital and which are recommended by a qualified medical practitioner. No payment shall be made if upon such diagnostic services, the Life Assured does not result in hospital confinement for the treatment of the medical condition diagnosed. Medications and consultation charged by the medical practitioner will not be payable.

7.2 The first time consultation by a Specialist in connection with a Disability within the maximum number of days as set forth in item (VII) of the Schedule of Benefits preceding confinement in a Hospital and provided that such consultation is Medically Necessary and has been recommended in writing by the attending general practitioner. Payment will not be made for clinical treatment (including medications and subsequent consultation after the illness is diagnosed) or where the Life Assured does not result in hospital confinement for the treatment of the medical condition diagnosed.

(8) Post-Hospitalisation Treatment
