GREAT LIFE EDUCATION INSURANCE
(REGULAR PREMIUM INVESTMENT-LINKED PLAN)
PLAN CODE: 0237

PLAN DESCRIPTION

Great Life Education Insurance is a regular premium investment-linked life insurance plan. The policy values of this plan will vary directly with the performance of the unit funds. This is an Endowment plan. A policyowner may cease premium payment at any time. The policy will lapse if the Total Investment Value falls to zero and below.

A policyowner can choose to invest in one or more of these unit funds:

a) Lion Balanced Fund
A fund which invests in a mixture of equities (ranging from 40% to 60%) and fixed income securities. This fund seeks to provide medium to long-term capital appreciation, with a moderate level of volatility.

b) Lion Growth Fund
A fund where 70% to 100% of the investment instruments are equities, which may be volatile in the short term. This fund seeks to provide medium to long-term capital appreciation.

c) Dana Restu (formerly known as Barakah Fund)
A fund where 70% to 100% of the investment instruments are equities, which may be volatile in the short term. This fund seeks to provide medium to long-term capital appreciation. Dana Restu invests in Syariah-approved securities.

d) Lion Fixed Income Fund
A fund which invests in fixed income securities like government and corporate bonds (ranging from 40% to 95%) with the balance invested in cash and cash equivalents. This fund seeks to provide consistent return at low levels of volatility.

e) Lion Progressive Fund
A fund which invests in a mixture of equities (ranging from 50% to 90%) and fixed income securities. This fund seeks to provide medium to long-term capital appreciation, with a moderate-to-high level of volatility.

f) Dana Sejati (formerly known as Mauzuun Bond Fund)
A fund which invests in fixed income securities like government and corporate bonds (ranging from 40% to 95%) with the balance invested in cash and cash equivalents. This fund seeks to provide consistent return at low levels of volatility. Dana Sejati invests in Syariah approved securities.

g) Lion Strategic Fund
A fund which invests in a mixture of equities, fixed income securities and money market instruments. There is flexibility in asset allocation as this fund may invest solely in fixed income securities or equities. This fund seeks to provide medium to long-term capital appreciation, with a moderate level of volatility.

PLAN BENEFITS

1. Death Benefit

In the event of Life Assured's death, the Basic Sum Assured (BSA) **plus** the Total Investment Value (TIV), will become payable. TIV is calculated at Bid Price at the next valuation date.

In the event of the death of the child occurs before age 5 next birthday, the Company shall pay TIV and the following Sum Assured:

Age Next Birthday on Policy Anniversary preceding Death	Amount of Sum Assured Payable
1	20% of the Sum Assured
2	40% of the Sum Assured

3	60% of the Sum Assured
4	80% of the Sum Assured
5 and above	100% of the Sum Assured

2. Total and Permanent Disability Benefit

In the event of Life Assured becoming Totally and Permanently Disabled (TPD) before the policy anniversary on which his age next birthday is 65 years,

a. The policyowner has the choice of whether to retain the entire TIV with the Company or to withdraw the TIV in one lump sum
b. BSA will be payable in ONE lump sum, in total not exceeding RM 1 million under this and all policies on the same life
c. If any, two equal annual installments of the balance such that in total the TPD payments shall not exceed RM2,000,000.
d. The TPD cover for child below age 5 next birthday is subject to the lien as per Death Benefit and maximum amount of RM500,000 under this and all policies and riders on the same life. Full TPD cover will be given from age 5 next birthday onwards.
e. The maximum TPD Benefit payable under this and all policies and riders on the same life, is RM 3,500,000 per life.

In the event of TPD occurs before age 5 next birthday, the Company shall pay TIV and the following Sum Assured:

Age Next Birthday of the Life Assured on Policy Anniversary preceding Occurrence of Total and Permanent Disability	Amount of Sum Assured Payable
1	20% of the Sum Assured
2	40% of the Sum Assured
3	60% of the Sum Assured
4	80% of the Sum Assured
5 and above	100% of the Sum Assured

TIV is calculated at Bid Price at the next valuation date.

3. Living Assurance Benefit (Optional)

A policyowner can choose a different sum assured for Living Assurance Benefit. The Living Assurance Benefit will be payable in the earliest of,

a. Death

In the event of the death of the Life Assured, the aggregate sum assured for Living Assurance Benefit not exceeding RM1,000,000 under this and all Living Assurance Policies and Riders shall be payable in one lump sum.

b. Living Benefit

In the event of the Life Assured diagnosed to be suffering from any one of the Covered Events* (according to the term of the basic benefit), the aggregate sum assured not exceeding RM1,000,000 under this and all Living Assurance Policies and Riders shall be payable in one lump sum.

Following lien clause shall apply for child before age 5 next birthday in the event of death or diagnosis of one of the Covered Events*.

Age Next Birthday on Policy Anniversary Preceding Occurrence of Covered Event	Amount Payable on Occurrence of Covered Event
1	20% of the Living Claim Amount
2	40% of the Living Claim Amount
3	60% of the Living Claim Amount
4	80% of the Living Claim Amount
5 and above	100% of the Living Claim Amount

Note: *Covered Events refer to definition of Major Illnesses as in Agent's Manual.

c. TPD

If Life Assured becomes TPD before the policy anniversary on which his age next birthday is 65 years, the aggregate amount of sum assured under this and all other policies under the same life not exceeding RM1,000,000 shall be payable.

In the event of TPD occurs before age 5 next birthday, the Company shall pay TIV and the following Sum Assured:

Age Next Birthday of the Life Assured on Policy Anniversary preceding Occurrence of Total and Permanent Disability	Amount of Sum Assured Payable
1	20% of the Sum Assured
2	40% of the Sum Assured
3	60% of the Sum Assured
4	80% of the Sum Assured
5 and above	100% of the Sum Assured

A policyowner can choose to attach this benefit at anytime prior to age 65 next birthday.

4. Payer Benefit or Payer Benefit Plus (Optional)

Refer to Payer Benefit (PB) or Payer Benefit Plus's (PBP) Product Description (applicable for investment-linked only) for detail.

CHARGES

1. Insurance Charge

a. BSA and Living Assurance Benefit Insurance Charge depend on the attained age at last policy anniversary. Different risk rate tables are used for these two insurance charges.

b. These charges will be deducted by canceling units already allocated to the policy, at the Bid Price at the next valuation date. It will be deducted at the beginning of each policy month.

c. The monthly insurance charges are calculated as the sum assured times one twelfth of the risk rates corresponding to the attained age.

$$\text{Monthly Insurance Charge} = \frac{\text{Yearly Insurance Charge Rate x Basic Sum Assured}}{1000 \times 12}$$

2. Fund Management Charge

a. A Fund Management Charge will be deducted at each asset valuation before determining the bid and offer prices. Unit prices will reflect the deduction.

b. The Fund Management Charge to be deducted is:

$$\frac{t}{250} \times K\% \times \text{Value of Fund}$$

where:

t = the number of business days from the preceding valuation date to the current valuation;

K% = the percentage charged for the appropriate funds are as follows:

Type of Funds Available	Fund Management Charge, K% per annum
Lion Growth Fund	1.45
Lion Balance Fund	1.00
Dana Restu Fund	1.45
Lion Progressive Fund	1.35
Lion Fixed Income Fund	0.50
Dana Sejati Fund	0.50
Lion Strategic Fund	1.25

c. Value of Fund refers to the value of the appropriate fund as determined by the Company.

3. Policy Fee

A monthly administration fee of RM 6 will be deducted by cancelling units already allocated to the policy from the policyowner's funds at the Bid Price at the next valuation date, at the beginning of each policy month.

The Company may increase the charges for existing policies in specified circumstances, up to specified limits. The charges that are allowed for changes are Policy Fee, Switching Fee, Fund Management Charge and Insurance Charge Rates.

BID-OFFER PRICE

1. **Offer Price**
   The price at which the policyowner buys the units in a fund.

2. **Bid Price**
   The price at which the policyowner sells the units back to the fund.

3. **Bid-Offer Spread**
   Bid-offer Spread is the difference between Bid Price and Offer Price. Bid Price is 95% of the Offer Price. Therefore, the Bid-offer Spread is 5%.

4. **Determination of Price**
   Bid and Offer Prices of each fund are determined daily, after the valuation of the assets of that fund.

Offer and Bid Prices will be published in the local newspaper at least once a week.

PREMIUM ALLOCATION

1. **Regular Premium**
   The investment premiums are allocated to the unit funds at the following rates:

Premium Due and Paid	Allocation Rate %
First and Second year	45
Third and Fourth year	80
Fifth and Sixth year	90
Seventh and subsequent years	105

2. **Single Premium Top-up**
   Allocation Rate : 100%

FLEXIBLE OPTIONS

1. **Single Premium Top-ups**
   A policyowner can make further single premium as investment top-ups subject to the following condition:
   a. Minimum of RM 1,000 each.
   b. All the current year's and previous years' basic investment premium have been fulfilled.

2. **Premium Increment**
   A policyowner can increase the regular Basic Investment Premium subject to the following condition:
   a. Increase in premium can take effect from the previous or next policy anniversary and will be subject to the constraints below:

Mode of payment	Minimum Increment (RM)
Annually	600
Half-yearly	300
Quarterly	150
Monthly	50

   The minimum and maximum sum assured will be recalculated automatically. If at the point of application of premium increment the current sum assured is below the revised minimum limit, the sum assured will be increased to that revised minimum limit subject to underwriting. However, such underwriting could be dispensed off provided the life assured is standard live and the aggregate increment in sum assured over the past 12 months is less than RM3,000.

b. Any increase in premium will be treated as a new premium for the purpose of allocation to the unit funds.
c. All the current year's and previous years' basic investment premium have been fulfilled.

3. Partial Withdrawal

A policyowner can withdraw the monies by selling some of the units at the Bid Price in one or more of the invested funds subject to the following conditions:

a. If the value of the invested fund from which units are to be withdrawn is less than RM 2,000, then all units from that fund must be withdrawn and sold.
b. If the value of that invested fund is more than RM2,000, then the minimum withdrawal amount must at least be RM1,000 with the minimum remaining units in that invested fund equal to RM1,000.
c. The aggregate value of the remaining units in all funds must at least be RM5,000 (applicable for both (a) and (b)).

4. Surrender

A policyowner may at anytime request to cancel all units allocated to the policy subject to the following conditions:

a. The sum payable must be equal to the value of the cancelled units at the Bid Price on the next valuation date of the funds.
b. Upon payment of the surrender value, the policy will be terminated.

5. Switching

A policyowner may at anytime request to sell units in any one fund at the Bid Price and purchase units in any of the other funds at the Bid Price, after the policy has turned in force, subject to the following conditions:

a. If the value of the invested fund from which units are to be sold is less than RM2,000, then all units from that fund must be sold.
b. If the value of the invested fund is more than RM2,000, then the minimum amount sold to purchase units in another unit fund must be equal to RM1,000 and the minimum remaining units in that original fund from which the units are sold must be equal to RM1,000.

First request switch for each year is free and the subsequent requests in the same year attract a fee of RM25 to be payable in cash for each switch. More than one switch can be done at one time and this will be considered as a single switch.

6. Premium Apportionment

The Basic Investment Premium shall be apportioned to the Funds as specified by the policyowner in the proposal.

A policyowner can also alter the premium apportionment proportions between the Unit Funds at any time without any charge. After the Company receives the alteration request, the next and all future premiums will be apportioned to the Unit Funds, subject to the minimum premium apportionment per Unit Fund. Minimum premium apportionment per Unit Fund is subject to the constraints below:

Mode of Payment	Minimum Amount Apportionable to Each Fund (RM)
Annually	200
Half-Yearly	100
Quarterly	50
Monthly	20

Note: This policy cannot be converted into Paid-up Policy or Extended Term Assurance and no policy loan will be granted.

ADDITIONAL TAX RELIEF UNDER EDUCATION POLICY

This Plan fulfills all the criteria currently made known to us for qualifying for RM3,000 tax relief under Education Policy if **all** of the following are met:

- Beneficiary is the child.
- The Life Assured is the parent and the child is the nominee.
- Maturity amount must be scheduled to be payable when one of the nominees (child) is between the ages of 14 to 25 years next birthday.

Or

- The Life Assured is the child.
- Parent is the proposer.
- Payer Benefit is attached for the full term.
- Maturity amount must be scheduled to be payable when the child is between the ages of 14 to 25 years next birthday.

As the above criteria may change from time to time by the regulatory authority, please seek your own tax advice if necessary.

FREE-LOOK PERIOD

Policyowner is allowed to cancel the policy within 15 days from the receipt of the policy. The Basic Investment Premium less medical fees incurred and adjustments to reflect the change in market value of the underlying assets will be refunded.

Equivalently, the refund is the sum of the
a. Value of units that have been allocated to the policy; and
b. Amount of any charges that have been deducted from the value of units; and
c. Amount of premiums that have been allocated;
Less
d. Medical expenses incurred, if any, for the medical examinations.

TERMINATION OF PREMIUM PAYMENT

Termination of premium payment does not directly result in policy termination. The policy continues to remain in force so long as the Total Investment Value (TIV) is positive.
