SUPREME GROWTHLINK INSURANCE
(SINGLE PREMIUM INVESTMENT-LINKED PLAN)
PLAN CODE: 83

PLAN DESCRIPTION

Supreme Growthlink Insurance is a single premium investment-linked whole life policy with access to professionally managed Unit Funds with the benefit of the life insurance cover. Premiums paid are used to purchase units in the Unit Fund(s). The policy values of this plan vary directly with performance of the Unit Funds. This plan has no fixed term.

A policyowner can choose to invest in one or more of these unit funds:

a. Lion Balanced Fund
A fund which invests in a mixture of equities (ranging from 40% to 60%) and fixed income securities. This fund seeks to provide medium to long-term capital appreciation, with a moderate level of volatility.

b. Lion Growth Fund
A fund where 70% to 100% of the investment instruments are equities, which may be volatile in the short term. This fund seeks to provide medium to long-term capital appreciation.

c. Dana Restu (formerly known as Barakah Fund)
A fund where 70% to 100% of the investment instruments are equities, which may be volatile in the short term. This fund seeks to provide medium to long-term capital appreciation. Dana Restu invests in Syariah-approved securities.

d. Lion Fixed Income Fund
A fund which invests in fixed income securities like government and corporate bonds (ranging from 40% to 95%) with the balance invested in cash and cash equivalents. This fund seeks to provide consistent return at low levels of volatility.

e. Lion Progressive Fund
A fund which invests in a mixture of equities (ranging from 50% to 90%) and fixed income securities. This fund seeks to provide medium to long-term capital appreciation, with a moderate-to-high level of volatility.

f. Dana Sejati (formerly known as Mauzuun Bond Fund)
A fund which invests in fixed income securities like government and corporate bonds (ranging from 40% to 95%) with the balance invested in cash and cash equivalents. This fund seeks to provide consistent return at low levels of volatility. Dana Sejati invests in Syariah approved securities.

g. Lion Strategic Fund
A fund which invests in a mixture of equities, fixed income securities and money market instruments. There is flexibility in asset allocation as this fund may invest solely in fixed income securities or equities. This fund seeks to provide medium to long-term capital appreciation, with a moderate level of volatility.

h. Lion US-i Fund
A fund which is passively managed and aims to track the performance of S&P500 over the medium to long term (indexing strategy), which may be volatile in the short term. This fund seeks to provide medium to long-term capital appreciation.

i. Lion UK-i Fund
A fund which is passively managed and aims to track the performance of FTSE100 over the medium to long term (indexing strategy), which may be volatile in the short term. This fund seeks to provide medium to long-term capital appreciation.

j. Lion AU-i Fund

A fund which is passively managed and aims to track the performance of S&P/ASX200 over the medium to long term (indexing strategy), which may be volatile in the short term. This fund seeks to provide medium to long-term capital appreciation.

PLAN BENEFITS

1. Death Benefit

In the event of Life Assured's death, the Basic Sum Assured (BSA) or the Total Investment Value (TIV), whichever is higher, will be payable upon death. TIV is calculated at Bid Price at the next valuation date.

In the event death occurs before age of 5,

a. If TIV is higher than BSA, 100% of TIV is payable.
b. If TIV is less than BSA, 100% of the TIV and the following percentage of Net Sum Assured will be payable:

Age Next Birthday on Policy Anniversary preceding Death	Lien on Death Benefit
1	20% of the Sum Assured
2	40% of the Sum Assured
3	60% of the Sum Assured
4	80% of the Sum Assured
5 and above	100% of the Sum Assured

Full life cover will be given from age 5 years next birthday.
Net Sum Assured is the excess, if any, of BSA over TIV.

2. Total and Permanent Disability Benefit

In the event of Life Assured becoming Totally and Permanently Disabled (TPD) before age 60,

a. If TIV is higher than the BSA, the policyholder has the option of retaining the entire TIV with the Company or have the TIV to be paid in one lump sum.
b. If TIV is less than BSA, only TIV is payable in one lump sum. Net Sum Assured shall be paid in 3 annual installments with the first being a lump sum of the NSA or RM1,000,000 whichever is lesser, and the balance of the NSA (if any), will be payable in two equal, annual installments of maximum RM500,000 each.
c. Parts (a) and (b) only applies for TPD occurring prior to the policy anniversary on which the Life Assured attains age 65 next birthday.
d. The TPD cover for child below age 5 next birthday is subject to the lien as per Death Benefit and maximum amount of RM500,000 under this and all policies and riders on the same life. Full TPD cover will be given from age 5 next birthday onwards.
e. The maximum TPD Benefit payable under this and all policies and riders on the same life, excluding Mortgage Decreasing Term Policy without Profits (with TPD Benefits), is RM2,000,000 per life.
f. The maximum TPD Benefit payable under this and all policies and riders on the same life, is RM3,500,000 per life.

If the Life Assured becomes TPD before age 6 next birthday, a reduced sum assured (as per the lien on Death Benefit) shall be payable.

TIV is calculated at Bid Price at the next valuation date.

CHARGES

1. Insurance Charge

Only Net Sum Assured will be subject to the Insurance Charge. The Insurance Charge depends on the attained age at last policy anniversary. This charge will be deducted by canceling units already

allocated to the policy, at the Bid Price at the next valuation date. It will be deducted at the beginning of each policy month.

2. Management Charge

a. A fund Management Charge will be deducted at each asset valuation before determining the bid and offer prices. Unit prices will reflect the deduction.

b. The Management Charge to be deducted is:

$$\frac{t}{250} \times K\% \times \text{Value of Fund}$$

where:

t = the number of business days** from the preceding valuation date to the current valuation;

K% = the percentage charged for the appropriate funds are as follows:

Type of Funds Available	Fund Management Charge, K% per annum
Lion Growth Fund	1.45
Lion Balance Fund	1.00
Dana Restu Fund	1.45
Lion Progressive Fund	1.35
Lion Fixed Income Fund	0.50
Dana Sejati Fund	0.50
Lion Strategic Fund	1.25
Lion AU-i Fund	0.75
Lion US-i Fund	0.75
Lion UK-i Fund	0.75

** Any reference to a business day is to a day (not being a Saturday, Sunday or a Public Holiday in Kuala Lumpur of Malaysia) on which the Head Office of the Company is open for business in Malaysia and any reference to a “day”, “week”, “month” or “year” is to that day, week, month or year in accordance with the Gregorian calendar.

c. Value of Fund refers to the value of the appropriate fund as determined by the Company.

3. Policy Fee

An initial charge of RM100 will be deducted by selling units already allocated to the Policy from the policy owner’s funds, at the Bid Price at the next valuation date, at the inception of the policy.

The company may increase the charges for existing policies in specified circumstances, up to specified limits. The charges that are allowed for charges are Policy Fee, Switching Fee, Management Charge and Insurance Charge Rates.

BID-OFFER PRICE

1. Offer Price

The price at which the policyowner buys the units in a fund.

2. Bid Price

The price at which the policyowner sells the units back to the fund.

3. Bid-offer Spread

Bid-offer Spread is the difference between Bid Price and Offer Price. Bid Price is 95% of the Offer Price. Therefore, the Bid-offer Spread is 5%.

4. Determination of Price

Bid and Offer Prices of each fund are determined daily, after the valuation of the assets of that fund.

The company will publish the latest available Offer and Bid Prices daily in any newspaper circulating in Malaysia in such format and with such details and information as it will decide.

PREMIUM ALLOCATION

1. Single Premium & Top-up
Allocation Rate : 100%

FLEXIBLE OPTIONS

1. Single Premium Top-ups
A policyowner can make further single premium as investment top-ups subject to the following condition:
a. Minimum of RM 1,000 each at any time.
b. The minimum and maximum sum assured limit will be recalculated automatically. If the current sum assured is below the revised minimum limit, increment to the revised minimum limit will be mandatory subject to underwriting. However such underwriting could be dispensed off provided the life assured is standard live and the aggregate increment in sum assured over the past 12 months is less than RM3000

2. Partial Withdrawal
A policyowner can withdraw the monies by selling some of the units at the Bid Price in one or more of the invested funds subject to the following conditions:
a. If the value of the invested fund from which units are to be withdrawn is less than RM 2,000, then all units from that fund must be withdrawn and sold.
b. If the value of that invested fund is more than RM2,000, then the minimum withdrawal amount must at least be RM1,000 with the minimum remaining units in that invested fund must be equal to RM1,000.
c. The aggregate value of the remaining units in all funds must at least be RM5,000 (applicable for both (a) and (b)).

3. Surrender
A policyowner may at anytime request to cancel all units allocated to the policy subject to the following conditions:
a. The sum payable must be equal to the value of the cancelled units at the Bid Price on the next valuation date of the funds.
b. Upon payment of the surrender value, the policy will be terminated.

4. Switching
A policyowner can sell units in any one fund at the Bid Price and purchase units in any of the other funds at the Bid Price, at any time after the policy has turned in force, subject to the following conditions:
a. If the value of the invested fund from which units are to be sold is less than RM2,000, then all units from that fund must be sold.
b. If the value of the invested fund is more than RM2,000, then the minimum amount sold to purchase units in another unit fund must be equal to RM1,000 and the minimum remaining units in that original fund from which the units are sold must be equal to RM1,000.

First request switch for each year is free and the subsequent requests in the same year attract a fee of RM25 to be payable in cash or cheque for each later switch. More than one switch can be done at one time and this will be considered as a single switch.

5. Guaranteed Insurability Benefit (GIB)
Under this option, the sum assured may be increased, subject to the maximum sum assured limit, without any underwriting, at the following dates:
a. By 10% within 90 days before the policy anniversary dates. This option is to be exercised at least once every two years, otherwise it would be forfeited.
b. By 50% at the beginning of the next policy month within 90 days after the first marriage.
c. By 10% at the beginning of the next policy month within 90 days after the birth of a child.

The above options must be exercised prior to age 60.

Note: this policy cannot be converted into Paid-up Policy or Extended Term Assurance and no policy loan will be granted.

UNDERWRITING

1. Premiums

Initial minimum : RM 5,000
Top-up minimum : RM 1,000
Maximum : No Limit.
Premium payment can be made through cash, cheque or banker's order.

2. Female Rates

Age for base mortality charge reduced by 3 years.

3. Substandard Life

The treatment for underwriting substandard lives will be to impose a percentage of extra loading on the Insurance Charge Rates. GIB is not allowed for substandard lives.

4. Non-smoker Discount

Age for base Mortality Charge reduced by 1 year.

5. Age at Entry

Minimum : 1 next birthday
(19 years next birthday for policy owner)

Maximum : 70 next birthday

6. Large Sum Assured Discount

Not Applicable

7. Non-Medical Limits

The Non-Medical Limits and Medical Requirements Table on page 28 of the Field Underwriting Manual applies.

8. Backdating

Not Allowed

9. Sum Assured for Basic Benefit (New Business)

Minimum : 1.25 times of all Investment Premium collected plus single premium top-up minus all amounts withdrawn, subject to minimum of RM6,250.

CHANGES IN SUM ASSURED

Any changes in the sum assured can take effect only at the beginning of a policy month:

1. Increase in Sum Assured

Sum assured can be increased either by application of the Life Assured, exercising the GIB options, or may be automatic after top-ups.
Increase in sum assured is allowed up to the maximum sum assured subject to the following conditions:

a. Any excess over Guaranteed Insurability Option (if available at the time of increment request) may require underwriting.
b. At least 30 days notification is required prior to the policy month in which the increment is to take effect.

2. Decrease in Sum Assured

a. Automatic Reduction
When a partial surrender of the investment values is made, the sum assured will automatically be reduced to the sum assured prior to the withdrawal less the amount withdrawn, subject to the minimum sum assured required.
b. Voluntary Reduction
Policyowner may voluntarily reduce the sum assured, subject to the minimum sum assured limits.

ASSIGNMENT/THIRD PARTY POLICY

a) There is no restriction on assigning and this policy can be issued as Third Party policy (except assignment to corporations or issuance to business entities as third parties)
b) After assignment, GIB is not allowed.
c) This minimum age at entry for policy owners should be 18 years old (no age limit for life insured).

FREE-LOOK PERIOD

A policyowner is allowed to cancel the policy within 15 days from the receipt of the policy. The Basic Investment Premium paid less medical fees incurred and adjustments to reflect the change in market value of the underlying assets, will be refunded.
