*Withdrawn Products

2. Insurance charge will be deducted from the unit fund(s) monthly.

BENEFITS

1. Lifetime Female Benefits

Upon diagnosis of any of the specified conditions, a % (see table below) of the sum assured will be payable in one lump sum.

Notes:

(a) Respective waiting period and survival period as stated in the table below are applicable under these benefit.

Table 1

Event	Percentage of Sum Assured	Waiting period	Survival Period
Carcinoma-in-situ (Breast, Cervix Uteri, Uterus, Placenta, Fallopian tube, Ovary, Vulva and Vagina)	30%	120 days	30 days
Female Cancers (Breast, Cervix Uteri, Uterus, Placenta, Fallopian tube, Ovary, Vulva and Vagina)	100%	60 days	30 days
Systemic Lupus Erythematosus (SLE) with Lupus Nephritis	100%	30 days	30 days
Facial Reconstructive Surgery due to Accidents (above the neck)	30%	0 day	0 day
Skin Grafting necessitated by accidental burns or skin cancer	30%	60 days (only for skin grafting due to malignant skin cancer)	0 day

b) No payment will be made for re-constructive surgery/skin grafting which is not deemed as Medically Necessary.
c) The company will only pay for each diagnosis as stated in the table above **once per policy.**
d) The maximum aggregate benefit payable under this Table is 100%.

2. Female Surgical Procedures

A % (see table below) of the sum assured will be payable in one lump sum for any of the procedures stated below.

Table 2

Event	Procedures	Percentage of Sum Assured
Breast Related	Breast Lumpectomy - Unilateral	10%
	Breast Lumpectomy - Bilateral	15%
	Mastectomy	25%
	Breast Reconstructive Surgery	30%
Female Internal Organ	Total Hysterectomy, Radical Hysterectomy, Radical Vulvectomy, Total Pelvic Exenteration	30%

All female surgical procedures above must be performed to treat Female Cancers in order to qualify for a claim.

A waiting period of 60 days is applicable under this benefit.

Under the event of Breast Related surgical procedures, if there is any earlier claim made, the company will pay the difference of each surgery up to the maximum allowed within any Breast Related category. The formula is as follows:

Minimum (% of sum assured that corresponds to the claimable event, 30% of SA) less any earlier claim(s) made

No payment will be made for Female Surgical Procedure that is not deemed as Medically Necessary.

The company will only pay for each diagnosis as stated in the table above **once per policy**.

Notes:

i. The rider will be terminated once the Total Claim payout reaches 100% in Table 1 **AND** 30% in Table 2.

ii. If the claim in Table 1 or 2 does not reach the maximum amount, the rider will still be in force and full deduction of insurance charges will continue.

The benefits offer in this rider will only be paid for the first ever occurrence of any covered event happen to the Life Assured.

Waiting period is determined from:
i. The date of issue of the Policy and/or this Rider; or
ii. The date of inclusion of this Rider if it has been subsequently included to the Policy; or
iii. The date of any reinstatement of lapse on the Policy and/or this Rider,
whichever is later.

DESCRIPTION / DEFINITION OF BENEFITS

1. Lifetime Female Benefits

Carcinoma-in-situ

For the purpose of this policy, Carcinoma-in-situ covers only the following sites: Breast, Cervix Uteri, Uterus, Placenta, Ovary, Fallopian Tube, Vagina and Vulva.
Carcinoma-in-situ is defined as a focal autonomous new growth of carcinomatous cells which has not yet resulted in the invasion of normal tissues.

Invasion means an infiltration and/or active destruction of tissue or surrounding tissue beyond the basement membrane.
The diagnosis of carcinoma-in-situ must always be positively diagnosed based upon a microscopic examination of fixed tissue and supported by a biopsy result. Clinical diagnosis does not meet this standard.

No benefit will be payable:-
- for Cervical Intraepithelial Neoplasia (CIN) classification CIN I, CIN II and CIN III (severe dysplasia without Carcinoma-in-situ); and
- if the Life Assured is diagnosed to be HIV-positive.

II. Female Cancers

Focal autonomous uncontrolled growth and spread of malignant cells, which has resulted in the invasion and destruction of normal tissues. This benefit cover primary "Cancer" as follow: Breast, Cervix Uteri, Uterus, Placenta, Ovary, Fallopian Tube, Vagina and Vulva.
The following are excluded:
- Cancers which have metastasized to and do not originate from the above sites;
- Tumours showing the malignant changes of carcinoma-in-situ and tumours which are histologically described as pre-malignant or non-invasive, including but not limited to: Carcinoma-in-situ of the Breasts, Cervical Dysplasia CIN I, CIN II and CIN III;
- All tumours in the presence of HIV infection;

III. Systemic Lupus Erythematosus (SLE) with Lupus Nephritis

A multisystem, multifactorial, autoimmune disorder which affects mostly females in their childbearing years and is characterized by the development of auto-antibodies, directed against various self-antigens.
For the purpose of this policy, SLE will be restricted to those forms of systemic lupus erythematosus which involve the kidneys (Type III to Type IV Lupus Nephritis, established by renal biopsy). Other forms, discoid lupus, and those forms with only haematological and joint involvement will be specifically excluded.
World Health Organization ("WHO") Lupus Classification:
Class I (minimal change) – Negative, normal urine
Class II (Mesangial) – Moderate proteinuria, active sediment
Class III (Focal Segmental) – Proteinuria, active sediment
Class IV (Diffuse) – Acute nephritis with active sediment and/or nephritic syndrome
Class V (Membranous) – Nephrotic Sydrome or severe proteinuria.

IV. Facial Reconstructive Surgery due to Accidents

The actual undergoing of re-constructive surgery above the neck (restoration or re-constructive of the shape of and appearance of facial structures which are defective, missing or damaged or misshapen) performed under general aneasthesia by a registered surgeon to correct disfigurement as a direct result of Accident or assault.
The surgery must be Medically Necessary and the Accident causing disfigurement must have resulted in the in-patient hospitalization and treatment of the Life Assured.
The accident must be caused solely and directly by violent, external and visible means; and the sole, primary and independent cause of the injury (or injuries) requiring reconstructive surgery.

V. Skin Grafting necessitated by Accidental Burns or Skin Cancer

The actual undergoing of:
- skin transplantation due to accidental full-thickness (3rd degree) burns to the face; or
  skin transplantation due to the removal of Malignant Skin Cancer first diagnosed after the waiting period of 60 days.

Malignant Skin Cancer means the uncontrolled growth and spread of malignant cells in the skin and the invasion and destruction of normal tissue. The cancer must be confirmed by histological evidence of malignancy by Consultant Pathologist.
Metastatic skin cancer is included.

The following are excluded:
- Carcinoma-in-situ

- Skin cancers less than 1.5 mm Breslow thickness or less than Clark level 3 depth of invasion
- Cancers manifesting themselves as complications of AIDS.

2. Female Surgical Procedures

Specified female surgical procedures are defined below:

I. Breast Lumpectomy – Unilateral
The removal of a malignant breast tumour and surrounding breast tissue in one breast without removal of muscles, skin or lymph nodes.

II. Breast Lumpectomy – Bilateral
The removal of a malignant breast tumour and surrounding breast tissue in both breasts without removal of muscles, skin or lymph nodes.

III. Mastectomy
The surgical removal of at least one quadrant of the tissue of a breast due to female cancer.

IV. Breast Reconstructive Surgery
The actual undergoing of plastic or reconstructive surgery of the breast following surgical removal of at least one quadrant of the tissue of the breast (Mastectomy) due to female cancer. The surgical removal of breast tissue must be deemed medically necessary by medical adviser. Breast reconstructive surgery must be performed within 2 years after Mastectomy to fulfill the claim under this section.

V. Total Hysterectomy
The removal of the entire uterus due to female cancer.

VI. Radical Hysterectomy (Wertheim's Hysterectomy)
The surgical removal of the uterus, fallopian tubes, upper third of the vagina and pelvic lymph due to female cancer.

VII. Radical Vulvectomy
The surgical removal of the labia majora, labia minora, clitoris and regional lymph nodes due to female cancer.

VIII. Total Pelvic Exenteration
The surgical removal of the bladder, lower ureters, pelvic and lower sigmoid colon, uterus, fallopian tubes, vagina and pelvic lymph nodes due to female cancer.

UNDERWRITING

1. Age at Entry

Minimum : 17 years next birthday
Maximum : 60 years next birthday

2. Term

75 years age next birthday – entry age next birthday

3. Sum Assured

Minimum : RM20,000
Maximum : Basic sum assured or RM200,000, whichever is lower.

Note:
If IL LadyCare Rider AND IL LadyCare Advantage rider are attached to the same basic ILP, the total sum assured of these two rider sum assured cannot be more than the BSA.

**For Renewal only*

The Company may give at least 3 months advance notice for any upward revision of the insurance charges. The upward revision of the insurance charges shall take effect on the policy anniversary immediately following the expiry of the 3 months' notice. However, for any downward revision of the insurance charges, the Company reserves the right to implement it immediately without giving notice.

COMMISSION

Not applicable since this is unit deduction rider. Commission is only payable on the Budgeted Premium.

DISCOUNT

Large Sum Assured Discount / Non-smoker Discount / Other Discounts
Not applicable.

RIDERS AND SUPPLEMENTARY BENEFITS

Not applicable.

CHANGES IN SUM ASSURED

1. **Increase Sum Assured**
   Not allowed.

2. **Decrease Sum Assured**
   Allowed, but subject to:

   a) No claim has been made earlier under this rider, and
   b) The rider sum assured is within the sum assured allowable.

OTHER FEATURES

1. **Cash Surrender Value / Policy Loan / Automatic Premium Loan / Extended Term Assurance / Paid-up Assurance**
   Not applicable.

2. **Backdating**
   Not allowed.

3. **Free-look Period**
   Policyholder is allowed to cancel this rider within 15 days. Under such circumstance, the Company will reinstate the units which have been deducted for the payment of Insurance Charge after net of medical expenses incurred by the Company (if any) in the issuance of this rider.

4. **Assignment / Third Party Policy / Nomination**
   Follow basic plan.

5. **Reinstatement**
   Allowed within 3 years from the rider's lapse date and is subject to underwriting.

   In the event of any upward revision in insurance charges, the insurance charges will be revised from the next policy anniversary falling on or after the revision date or reinstatement date, whichever is later. However, for any downward revision of the insurance charges, the Company reserves the right to implement it immediately without giving notice.

6. **Replacement of Policies (ROP)**
   Not applicable

OTHER PRIVILEGES

1. **Conversion Privilege**
   Not applicable.

2. **Option to Purchase New Policy**
   Not applicable.

EXCLUSIONS

1) The Company will not pay any benefit under this rider if the relevant condition has existed at any time before or at the date of issue of this Policy and/or this rider or at the date of inclusion of this rider or at the date of any reinstatement.
2) This rider will not cover any condition which is caused directly or indirectly by self-inflicted injuries, while sane or insane.
3) No claim for facial reconstructive surgery and/or skin grafting shall be valid for facial disfigurement resulting from any physical or health impairment or disease or resulting directly from an accident which has existed at the date of issue of this rider.
4) The Company will not pay any benefit under this rider if the relevant condition is caused by
   a. Any violation or attempted violation of the law, or resistance to arrest.
   b. The existence of Acquired Immune Deficiency Syndrome or in the presence of any Human Immuno-deficiency Virus infection.
   c. Alcohol or substance abuse/addiction.
   d. Failure to seek or follow reasonable medical advice.

Note: The exclusions highlighted here may not be exhaustive. For full details of exclusions, please refer to the policy contract.
