PLAN DESCRIPTION

1. This is a limited pay whole life plan without participation in profits.
2. This plan provides death benefit and offers a combination of Investment Booster (IB) and Survival Benefit (SB).
3. Survival Benefit (SB) is payable at the end of every policy year.
4. Investment Booster are credited into the total investment value at the end of every policy year.
5. This plan does not require medical underwriting.
6. Term of assurance is up to age 70, 80 or 90 years old next birthday of the 1st Life Assured.
7. Premium payment term options are 5 & 10 years. Option of 20 years premium payment term is not available during the relaunch period.
8. The Unit Fund available will follow the list of IL funds for existing IL products.
9. Basic Premium is the regular modal premium for basic plan as shown in the schedule or any subsequent endorsement issued by the Company, excluding any rider premium and any advance premium paid. Upon reduction to the Basic Premium, the benefit or amount payable shall be computed based on the reduced Basic Premium amount.
10. This plan allows policyowner to appoint Alternate Policyowner (APO) and Secondary Life Assured (SLA) as well as Change of Life Assured (CLA). Please refer to the agency manual of APO SLA CLA for more details.
11. If SLA is converted to the new Life Assured upon the death of the primary Life Assured, the Death Benefit will not be paid out for the primary Life Assured. The policy will continue to be inforce with the policy benefits applicable to the new Life Assured, with no change to the terms of the policy, except for the attaching rider(s), if any. The attaching rider(s) on the primary Life Assured is/are terminated upon death except for payer benefit rider.
12. If there is new Life Assured converted under CLA, there will be no change to the terms of the policy. All the attaching rider(s) will be terminated except for payer benefit rider.
13. Any payer benefit rider attached to the policy will be terminated if the new Life Assured is the policyowner of this Policy after conversion.

   e) **F17 Lion Enhanced Equity Fund**
   A fund where 80% to 100% of the investments are in equities. This fund seeks to achieve medium to long-term capital appreciation. Although the fund invests mainly in Malaysia (50% to 100%), it may also partially invest in companies that have significant business operations in Singapore (up to 25%) and Greater China (Mainland China, Hong Kong, Macau and Taiwan) (up to 25%), if and when necessary, to enhance the fund's returns.

   f) **F18 Dana Gemilang**
   A fund where 80% to 100% of the investments are in equities. This fund seeks to achieve medium to long-term capital appreciation. Although the fund invests mainly in Malaysia (50% to 100%), it may also partially invest in companies that have significant business operations in

Singapore (up to 25%) and Greater China (Mainland China, Hong Kong, Macau and Taiwan) (up to 25%), if and when necessary, to enhance the fund's returns. The fund only invests in Shariah-approved securities.

g) F21 Lion Advanced Strategic Fund

A fund which invests in a mixture of equities, fixed income securities and money market instruments in Malaysia and companies that have significant business operations in Asia. There is flexibility in asset allocation as this fund may invest solely in fixed income securities or equities. Collective investment schemes such as unit trusts, mutual funds and exchange-traded funds which invest in such underlying asset classes maybe considered. The fund seeks to maximize capital appreciation over the medium to long-term while reducing risks and/or enhancing returns through timely and dynamic switching of asset classes in different markets at any given point in time.

h) F22 Lion Small Mid Cap Fund

A fund where 60% to 100% of investments are in equities with the balance in cash and/or cash equivalents, which may be volatile in the short term. This fund seeks to achieve medium to long-term capital appreciation, investing in Malaysian (50% to 100%) Small and Medium Market Capitalisation ("Small Mid Cap") equities. It may partially invest in foreign Small Mid Cap equities (Asia Pacific excluding Japan region) if and when necessary, to enhance the fund's returns.

i) F26 Lion ASEAN Fund

A fund where 80% to 100% of the investments are in equities. This fund seeks to maximize capital appreciation over the medium to long-term while reducing risks and/or enhancing returns through timely and dynamic switching of asset classes in ASEAN markets at any given point in time. The balance of the fund's NAV will be invested in domestic short-term money market instruments including cash. Collective investment schemes such as unit trusts, mutual funds and exchange-traded funds which invest in such underlying asset classes might be considered.

International Funds

a) F10 Lion US-i Fund

OTHER PRODUCT FEATURES

1. Surrender Values

Non Par Component
Cash value is available after the payment of two years of premium.

Total Investment Value
100% TIV based on the NAV at the Next Valuation Date, if any after the Company has received the request.

2. Partial Surrender

Allowed. Refer to “Decrease in Premium”.

3. Policy Loans for Non Par Component

Up to 92% of the policy loan cash value; where the latter is defined as the total cash values for this plan. Note that cash values for attaching riders (if any) will also not be taken into account in determining the policy loan cash value.

4. Automatic Premium Loan

After the policy has acquired cash values for Non Par Component and total investment value, it shall not become void for non-payment of a renewal premium within the 30 days of grace so long as the cash value and total investment value is sufficient to advance the premium due.

If the cash value plus total investment value is insufficient to cover the non-payment of a renewal premium, the cash value plus total investment value will be used to maintain the policy on a pro-rated basis. Thereafter, the policy shall lapse.

5. Extended Term Assurance

After the policy has acquired cash values for Non Par Component, the policy may be converted to a non-participating Extended Term Assurance for a reduced policy term with the same Guaranteed Death Benefit at the point of conversion payable in the event of death of the Life Assured during the term covered.

If the cash values are more than sufficient to provide coverage to the maturity of the original term, the excess amount (if any) shall be refunded in cash at the date of conversion.

Investment Booster, Survival Benefit and maturity benefit shall cease upon conversion to Extended Term Assurance. Similarly, all attaching riders (if any) shall be terminated.

Appointment of Alternate Policyowner, Secondary Life Assured and Change of Life Assured shall not be available upon conversion to Extended Term Assurance. If the Alternate Policyowner and/or secondary Life Assured have been appointed, the said appointment will be revoked automatically.

ILP Component portion shall cease and the TIV will be refunded.

6. Paid-up Assurance

After the policy has acquired cash values for Non Par Component, the policy may be converted to a non-participating Paid-Up Assurance with a reduced Guaranteed Death Benefit at the point of conversion payable in the event of death of the Life Assured and maturity.

Investment Booster and Survival Benefit shall cease upon conversion to Paid-up Assurance. Similarly, all attaching riders (if any) shall be terminated.

Appointment of Alternate Policyowner, Secondary Life Assured and Change of Life Assured shall not be available upon conversion to Paid-up Assurance. If the Alternate Policyowner and/or secondary Life Assured have been appointed, the said appointment will be revoked automatically.

ILP Component portion shall cease and the TIV will be refunded.

7. Replacement of Policies

Applicable. An agent or agency leader may not receive any compensation with respect to a policy, which replaced another policy within a duration of less than 12 months before or after the original policy is discontinued subject to the current practice.

8. Nomination/Assignment/Third Party Policy

i. There is no restriction on assigning and this policy can be issued as Third Party policy.
