PLAN DESCRIPTION

This is a non-participating term plan that provides the following:

- Death and TPD Benefits during the term of the plan
- Critical Illness Premium Waiver Benefit during the term of the plan
- Refund of Premium Benefit at maturity

Target Launch date: July 2nd, 2007

SALES CONCEPT

"My First Protection Plan" that provides financial protection against the basic needs for 2Ds – Death and Total and Permanent Disability with Critical Illness Premium Waiver Benefits.

Protection with guaranteed refund of premiums at maturity.

PLAN BENEFITS

1. Death Benefit

Upon death, the basic sum assured will be payable in one lump sum.

A child lien applies. In the event of death occurring before age 5, the following will be payable:

Age	*Death Benefit*
1	20% of Total Sum Assured
2	40% of Total Sum Assured
3	60% of Total Sum Assured
4	80% of Total Sum Assured
5 and above	100% of Total Sum Assured

2. Total and Permanent Disability (TPD) Benefit

Upon TPD before age 65 next birthday,

a) All future premiums up to a maximum of RM 2,000,000 of basic sum assured will be waived
b) Lower of RM 1,000,000 or total sum assured will be payable in one lump sum; and
c) If any, two equal annual installments of the balance such that in total the TPD payments shall not exceed RM 2,000,000.

An overall TPD limit of RM 3,500,000 shall apply on any one life across all channels.

A child lien (as per death benefit) shall apply for child before age 5 years next birthday with maximum of RM 500,000 TPD benefit payable under this policy and all policies under the same life.

3. **Critical Illness (CI) Premium Waiver Benefit**
   In the event the Life Assured is being diagnosed to be suffering from any one of the 36 CI covered by the Company during the term of this plan, all future premiums corresponding to the Basic Sum Assured shall be waived starting from the policy anniversary date following the happening of the covered events up to and including the due date immediately prior to the Expiry Date.

   Note:
   a) Should there be death or TPD after CI but before the expiry of the term of the plan, the death and TPD benefits will be payable and the policy terminates.
   b) If the insured survives until maturity after being diagnosed with Critical Illness, the maturity benefit is equivalent to 100% of total annual premium paid (including premiums waived by the Critical Illness Premium Waiver Benefit) will be refunded (without interest, before adjustments, excluding extra premiums).

4. **Maturity Benefit**
   Upon survival of the Life Assured to maturity of the policy, 100% of total annual premiums* paid-to-date will be refunded (without interest, before adjustments, excluding extra premiums).

   *Annual premiums are before any reduction for all types of discount, if any, and before any adjustment for mode of premium payment. Extra premium charged for substandard cases will not be refunded upon policy maturity.

EXTRA PREVILEGES

1. **Option to Purchase New Policy at Maturity (Standard Life only) – applicable for child policies only**

   If the policy matures while Life Assured is at least 18 years but does not then exceed 25 years, the Life Assured can exercise the option to purchase new policy within 30 days before or after the maturity date.

   The new policy shall be a new ordinary level annual premium Whole Life or Endowment policy in use by the Company at the date of option for a face amount of assurance equal to the sum assured of the basic policy at a premium which shall be at the same class of rating as the basic policy and in accordance with the Company's rate then in use at the date of option for the attained age of the Life Assured without evidence of assurability of the Life Assured provided that the aggregate Sum Assured purchased by the Life Assured with respect to this or similar options on all policies does not exceed RM200,000.

   This option shall not include the right to purchase a Living Assurance policy, or any policy similar to a Living Assurance policy.

   Total and Permanent Disability Benefits, riders or supplementary contracts may be added to the new policy according to the Company's rules at the time of conversion, provided that evidence of assurability satisfactory to the Company is furnished.

   This option will not be available once a claim is made under the Critical Illness Premium Waiver Benefit.

3. Conversion Privilege

At any time while this policy is in full force, the Life Assured may apply to surrender the policy for an ordinary level sum assured Whole Life or Endowment policies*, for an assured amount equal to the basic sum assured under this policy commencing on the surrender date and at a premium which shall be at the same class of rating as this policy and in accordance with the Company's rate then in use for the attained age of the Life Assured. The exchange will be made by the Company without evidence of assurability at any time prior to the expiry date of this policy but not later than the policy anniversary immediately preceding the Life Assured's 60th birthday.

For attachment of TPD Benefits, accidental death or accident benefits, or any other benefits to the new policy issued in exchange for this policy, the age next birthday of the Life Assured at the time of exchange must not exceed 55 years and evidence of assurability satisfactory to the Company must be furnished.

*The range of Whole Life or Endowment policies for which this policy may be converted to is at the Company's sole and absolute discretion.

This option will not be available once a claim is made under the Critical Illness Premium Waiver Benefit.

OTHER FEATURES

1. Surrender Values

After the payment of three years' premiums, this policy may be surrendered for the act minimum cash value. Partial surrender is allowed. Policyholders are allowed to reduce the basic sum assured from a higher sum assured plan to a lower sum assured plan (but within the four Sum assured choices stated above). The surrender value (if any) relating to the portion of sum assured decreased will be payable to the policyholder.

2. Policy Loans

Not Allowed.

3. Automatic Premium Loan

Allowable.

4. Extended Term Assurance

After acquiring cash value, it may be converted into an Extended Term Assurance for the same Basic Sum Assured payable on death of the Life Assured during the term covered.

If the cash value is more than sufficient to provide coverage to the maturity of the original term, the excess amount shall be refunded to the Assured in cash at the date of conversion.

If the Life Assured's attained age next birthday at the date of conversion is 10 years or below, then Extended Term Assurance conversion should be based on age 10 next birthday at entry.

TPD Benefit, Critical Illness Premium Waiver Benefit and Maturity Benefit shall cease upon conversion to Extended Term Assurance.

5. Paid-Up Policy

After acquiring the cash value, this policy may be converted to a Paid-Up Assurance with reduced sum assured payable in the event of death of the Life Assured.

On survival to the expiry age of the policy, a reduced premium refund amount will be payable to the Life Assured. The reduced premium refund amount is the original premium refund amount multiplied by the ratio of the reduced sum assured to the original sum assured.

TPD Benefit and Critical Illness Premium Waiver shall cease upon conversion to Paid-Up Assurance.

6. Lien Clause for Children

Standard lien applies. Please refer to Death Benefit section.

7. **Free-Look Period**
   Policyholder is allowed to cancel the policy within 15 days. Premium will be refunded and commission will be clawed back.

8. **Assignment**
   Allowed.

9. **3rd Party Policy**
   Allowed.

10. **Reinstatement**
    Standard reinstatement conditions for Term policies apply.

FORMS REQUIRED FOR NEW BUSINESS SUBMISSION
