1. Death Benefit

Upon death prior to the maturity, Company shall pay according to the table below in one lump sum:

Policy Year	Death due to accidental cause	Death due to non-accidental cause*
1 & 2	▪ Guaranteed Death Benefit; and ▪ Total Investment Value (TIV) (if any).	▪ 100% of total Non Participating Premium paid-to-date less total Investment Booster which have been credited into the TIV; ▪ The value of the units that have been allocated (if any) at unit price at the next valuation date; and ▪ Unallocated ILP Premium.
3 & above		▪ Guaranteed Death Benefit; and ▪ TIV (if any).

*Agent and leader's commission, bonuses and all related benefits will be clawed back and adjusted if death is due to any cause other than accident within the first 2 policy year.

Notes:

(i) Guaranteed Death Benefit:

Entry Age (Age Next Birthday)	Guaranteed Death Benefit
Up to age 50	80% of total basic premiums paid-to-date plus Additional Sum Assured less total investment booster which have been credited into the TIV
Age 51 & above	70% of total basic premiums paid-to-date plus Additional Sum Assured less total investment booster which have been credited into the TIV

(ii) Total basic premium paid is the net premiums collected after discount, if any.
(iii) Child lien is not applicable.

2. Accidental Death Benefit

Upon accidental death of the Life Assured which occur prior to the policy anniversary of age 70 years next birthday, the Company will pay an additional amount of a percentage of the Guaranteed Death Benefit on top of Death Benefit as follow:

Accidental Death Benefit	% of Guaranteed Death Benefit

Great Treasure Wealth (Plan Code: 0511)

2.1	Death due to Accident	100%
2.2	Death due to Accident (Public Conveyance): (i) while traveling in a public conveyance (other than a cable car, taxi, hired car or any form of transport chartered for private travel); or (ii) while riding as a passenger in an elevator or in electric lift; or (iii) in consequence of the burning of any theatre or cinema, hotel or other public building in which the Life Assured shall be present at the time of commencement of the fire;	200%

The ADB is subject to a maximum of RM2,000,000 under this policy and all other policies (including basic plans and riders, if any) which provide for accidental benefits issued by the Company for this distribution channel on the same Life Assured.

3. Total & Permanent Disability (TPD) Benefit

Upon TPD of Life Assured prior to the policy anniversary of age 70 years next birthday, the Company will advance the Death Benefit as below.

Policy Year	TPD due to accidental cause	TPD due to non-accidental cause*
1 & 2	▪ Guaranteed Death Benefit; and ▪ TIV (if any).	▪ 100% of total Non-Participating Premium paid-to-date less total Investment Booster which have been credited into the TIV; ▪ The value of the units that have been allocated (if any) at unit price at the next valuation date; and ▪ Unallocated ILP Premium.
3 & above		▪ Guaranteed Death Benefit; and ▪ TIV (if any)

*Agent and leader's commission, bonuses and all related benefits will be clawed back and adjusted if TPD is due to any cause other than accident within the first 2 policy year.

Notes:

(i) Guaranteed Death Benefit:

Entry Age (Age Next Birthday)	Guaranteed Death Benefit
Up to age 50	80% of total basic premiums paid-to-date plus Additional Sum Assured less total investment booster which have been credited into the TIV
Age 51 & above	70% of total basic premiums paid-to-date plus Additional Sum Assured less total investment booster which have been credited into the TIV

(ii) Total basic premium paid is the net premiums collected after discount, if any.

(iii) Child lien is not applicable.

Upon TPD of Life Assured prior to the policy anniversary on which the life assured attains age 70 years next birthday, and on confirmation of continuing disability for at least 6 consecutive months, the Company will advance the death benefit, subject to the following conditions:-

- All future premiums will be waived up to a maximum Guaranteed Death Benefit of RM 10,000,000; and
- The Guaranteed Death Benefit not exceeding RM 2,000,000 will be advanced in one lump sum; and
- The Guaranteed Death Benefit exceeding RM 2,000,000, if any, but not exceeding RM 10,000,000 per life per distribution channel, will be payable in two equal annual payments.

100% of the TIV will be payable upon the first TPD payment. Thereafter, the policy shall terminate.

An overall TPD limit of RM 10,000,000 shall apply on any one life across all distribution channels (exclude group policies).

4. Investment Booster

X% of Total Basic Annualised Premium will be credited into the TIV at the end of every year, until death, TPD, or surrender of the policy, whichever occurs first.

End of Policy Year	% of Total Basic Annualised Premium
1 – 10	5.0%
11 – 20	7.5%
Total	**125%**

Note: Total Basic Annualised Premium is the total premium paid for a policy year.

5. Additional Sum assured

b) F4 Lion Fixed Income Fund
A fund which invests in fixed income securities, for example government and corporate bonds as well as cash and cash equivalents. This fund seeks to provide consistent return at low levels of volatility. Although the fund invests mainly in Malaysia (40% to 100%), it may also partially invest in foreign fixed income securities (up to 50%), to enhance the fund's returns.

c) F5 Lion Progressive Fund
A fund which invests in a mixture of equities (ranging from 50% to 90%) and fixed income securities. This fund seeks to provide medium to long-term capital appreciation, with a moderate-to-high level of volatility.

d) F6 Dana Sejati
A fund which invests in Shariah approved fixed income securities, for example government and corporate sukuk as well as Islamic money market papers/deposits. This fund seeks to provide consistent return at low levels of volatility. Although the fund invests mainly in Malaysia (40% to 100%), it may also partially invest in foreign Shariah approved fixed income securities (up to 50%), to enhance the fund's returns.

f) F17 Lion Enhanced Equity Fund
A fund where 80% to 100% of the investments are in equities, which may be volatile in the short term. This fund seeks to achieve medium to long-term capital appreciation. Although the fund invests mainly in Malaysia (50% to 100%), it may also partially invest in Singapore (up to 25%) and Hong Kong (up to 25%), if and when necessary, to enhance the fund's returns.

Effective 22 September 2021, the objective will be revised as follows:
A fund where 80% to 100% of the investments are in equities. This fund seeks to achieve medium to long-term capital appreciation. Although the fund invests mainly in Malaysia (50% to 100%), it may also partially invest in companies that have significant business operations in Singapore (up to 25%) and Greater China (Mainland China, Hong Kong, Macau and Taiwan) (up to 25%), if and when necessary, to enhance the fund's returns.

g) F18 Dana Gemilang

A fund where 80% to 100% of the investments are in equities, which may be volatile in the short term. This fund seeks to achieve medium to long-term capital appreciation. Although the fund invests mainly in Malaysia (50% to 100%), it may also partially invest in Singapore (up to 25%) and Hong Kong (up to 25%), if and when necessary, to enhance the fund's returns. The fund only invests in Shariah-approved securities.

Effective 22 September 2021, the objective will be revised as follows:
A fund where 80% to 100% of the investments are in equities. This fund seeks to achieve medium to long-term capital appreciation. Although the fund invests mainly in Malaysia (50% to 100%), it may also partially invest in companies that have significant business operations in Singapore (up to 25%) and Greater China (Mainland China, Hong Kong, Macau and Taiwan) (up to 25%), if and when necessary, to enhance the fund's returns. The fund only invests in Shariah-approved securities.

g) F21 Lion Advanced Strategic Fund

A fund which invests in a mixture of equities, fixed income securities and money market instruments in Malaysia and companies that have significant business operations in Asia. There is flexibility in asset allocation as this fund may invest solely in fixed income securities or equities. Collective investment schemes such as unit trusts, mutual funds and exchange-traded funds which invest in such underlying asset classes maybe considered. The fund seeks to maximize capital appreciation over the medium to long-term while reducing risks and/or enhancing returns through timely and dynamic switching of asset classes in different markets at any given point in time.

h) F22 Lion Small Mid Cap Fund

A fund where 60% to 100% of investments are in equities with the balance in cash and/or cash equivalents, which may be volatile in the short term. This fund seeks to achieve medium to long-term capital appreciation, investing in Malaysian (50% to 100%) Small and Medium Market Capitalisation ("Small Mid Cap") equities. It may partially invest in foreign Small Mid Cap equities (Asia Pacific excluding Japan region) if and when necessary, to enhance the fund's returns.

OTHER PRODUCT FEATURES

1. Surrender Values

Non Par Component
Cash value is available after the payment of two years of premium.

ILP Component
100% TIV based on the NAV at the Next Valuation Date, if any after the Company has received the request.

2. Partial Surrender

Allowed. Refer to "Decrease in Premium".

3. Policy Loans for Non Par Component

Up to 92% of the policy loan cash value; where the latter is defined as the total cash values for this plan. Note that cash values for attaching riders (if any) will also not be taken into account in determining the policy loan cash value.

4. Automatic Premium Loan

After the policy has acquired cash values for Non Par Component and total investment value, it shall not become void for non-payment of a renewal premium within the 30 days of grace so long as the cash value and total investment value is sufficient to advance the premium due.

If the cash value plus total investment value is insufficient to cover the non-payment of a renewal premium, the cash value plus total investment value will be used to maintain the policy on a pro-rated basis. Thereafter, the policy shall lapse.

5. Extended Term Assurance

After the policy has acquired cash values for Non Par Component, the policy may be converted to a non-participating Extended Term Assurance for a reduced policy term with the same Guaranteed Death Benefit at the point of conversion payable in the event of death of the Life Assured during the term covered.

If the cash values are more than sufficient to provide coverage to the maturity of the original term, the excess amount (if any) shall be refunded in cash at the date of conversion.

TPD benefit, accidental death benefit, investment booster and maturity benefit shall cease upon conversion to Extended Term Assurance. Similarly, all attaching riders (if any) shall be terminated.

ILP Component portion shall cease and the TIV will be refunded.

6. Paid-up Assurance

After the policy has acquired cash values for Non Par Component, the policy may be converted to a non-participating Paid-Up Assurance with a reduced Guaranteed Death Benefit at the point of conversion payable in the event of death of the Life Assured and maturity.

TPD benefit, accidental death benefit and investment booster shall cease upon conversion to Paid-up Assurance. Similarly, all attaching riders (if any) shall be terminated.

ILP Component portion shall cease and the TIV will be refunded.

7. Replacement of Policies

Applicable. An agent or agency leader may not receive any compensation with respect to a policy, which replaced another policy within a duration of less than 12 months before or after the original policy is discontinued subject to the current practice.

8. Nomination/Assignment/Third Party Policy

i. There is no restriction on assigning and this policy can be issued as Third Party policy.
ii. The prevailing Government Service Tax is applicable to all premiums including single premium top-ups paid by business organisation as third parties.
iii. This minimum age at entry for policy owners should be 19 years old next birthday (age limit for life insured is according to the min & max entry age stated in an earlier page).

9. Free look period

Policyholder is allowed to cancel the policy within 15 days from receipt of the policy contract. Under such circumstance,

(a) the total premium paid for Non Par Component; plus
(b) the value of the units that have been allocated (if any) at unit price at the next valuation date and unallocated Premium for ILP Component;

will be refunded and commissions will be clawed back accordingly.

10. Reinstatement Period
