Great Eastern

LIVING CARE RIDER WITH TPD BENEFITS (LCR-TPD)

ANNEXURE U99

This Living Care Rider with TPD Benefits ("this Annexure") does not give any right to share in the surplus of the Company's life insurance fund.

1. DEFINITIONS

For the purpose of this Annexure, the following words or expressions, wherever mentioned in this Annexure, shall have the following meanings unless otherwise stated. Any word or expression not specifically defined in this Annexure shall have the same meaning as ascribed to it in this Policy:-

"Activities of Daily Living" means all of the following:

(a) Transfer
Getting in and out of a chair without requiring physical assistance.

(b) Mobility
The ability to move from room to room without requiring any physical assistance.

(c) Continence
The ability to voluntarily control bowel and bladder functions such as to maintain personal hygiene.

(d) Dressing
Putting on and taking off all necessary items of clothing without requiring assistance of another person.

(e) Bathing/Washing
The ability to wash in the bath or shower (including getting in or out of the bath or shower) or wash by any other means.

(f) Eating
All tasks of getting food into the body once it has been prepared.

"Amount of Benefits" means the amount of benefits for this Annexure specified in the Table of Supplementary Benefits in the Schedule of this Policy or in a subsequent endorsement issued by the Company, as the case may be.

"Covered Event" means any of the events specified and defined in the Endorsement No. 361 (DDDEFN1) of this Policy.

"Critical Illness Endorsements or Annexures" refers to the category of annexures or endorsements including any future annexure or endorsement by any number or description issued and assigned under this category by the Company which provide living assurance benefits or critical illness benefits for the Covered Event.

"Diagnosis" means the definitive diagnosis made by a Medical Practitioner or neurologist, based upon such specific evidence, as referred to in the definition of the particular Covered Event concerned or, in the absence of such specific evidence, based upon radiological, clinical, histological or laboratory evidence acceptable to the Company.

Such diagnosis must be supported by the Company's appointed Medical Practitioner who may base his opinion on the medical evidence submitted by the claimant and/or any additional evidence he may require.

"Expiry Date" means the expiry date of this Annexure specified in the Table of Supplementary Benefits in The Schedule of this Policy or in an endorsement issued by the Company, as the case may be, on which the coverage of Life Assured under this Annexure has ceased accordingly.

"Medical Practitioner" means a surgeon or physician qualified by degree in western medicine, who is legally licensed and duly qualified to practise medicine and surgery authorised in the geographical area of his practice, and who also possesses a current Annual Practicing Certificate issued by the Malaysian Medical Council.

"Policy Anniversary" refers to the anniversary of the Commencement Date.

SAMPLE

"Reduced Amount of Benefits" means the Amount of Benefits less the Limited Advance Amount of Benefits as specified and defined in Clause 5.1 of this Annexure.

"Rider Commencement Date" refers to the Commencement Date of this Policy or the last Policy Anniversary immediately before the inclusion of this Annexure if it has been subsequently included to this Policy, whichever is later.

"Risk Effective Date" refers to the Risk Commencement Date or date of inclusion of this Annexure if it has been subsequently included to this Policy or date of any reinstatement, whichever is later, on which the coverage of the Life Assured under this Annexure has become effective.

"Total and Permanent Disability" is defined as a state of incapacity which:

(a) becomes total and permanent where at all times on or after occurrence of such condition, there is not any work, occupation or profession that the Life Assured can ever sufficiently do or follow to earn or obtain any wages, compensation or profit; or

(b) is caused by any of the following:
   (1) total and irrecoverable loss of sight of both eyes; or
   (2) total and irrecoverable loss of use of two limbs at or above the wrist or ankle; or
   (3) total and irrecoverable loss of sight of one eye and loss of use of one limb at or above the wrist or ankle; or

(c) renders the Life Assured disabled to such an extent as to be totally and permanently unable to perform at least three (3) of the listed Activities of Daily Living even with the use of mechanical equipment, special devices or other aids and adaptations in use for disabled persons.

For the purpose of this benefit, the word "permanent" shall mean beyond the hope of recovery with the medical knowledge and technology at the time of the admission of claim. The resultant permanent functional impairment is to be verified by a Medical Practitioner and duly concurred by the Company's medical officer.

"TPD Endorsements" refer to a category of endorsements including Type B TPD Endorsements and Type B TPD Term Life Rider which pay benefits upon Total and Permanent Disability, which are determined by the Company at its sole and absolute discretion.

"Type B TPD Endorsements" means Endorsement No. 35 (MMRTPD), Endorsement No. 244 (TATPD), Endorsement No. 294 (MMRTPD), Endorsement No. 300 (TATPD) and any future endorsement by any number or description issued and assigned under this category by the Company which provides the Total and Permanent Disability or similar benefits to the Life Assured.

"Type B TPD Term Life Rider" means the Enhanced Total and Permanent Disability Rider (TPD3R), if any, attached to this Policy.

"Type I Waiting Period" which is only applicable to Category I Covered Events means the first sixty (60) days from the Risk Effective Date.

"Type II Waiting Period" which is only applicable to Category II Covered Events means the first thirty (30) days from the Risk Effective Date.

"Waiting Period" for any Covered Event refers to Type I Waiting Period if the Covered Event is classified under Category I Covered Events or Type II Waiting Period if the Covered Event is classified under Category II Covered Events.

2. PREMIUM

2.1 This Annexure is issued in consideration of the payment of the premium for this Annexure as specified in the Table of Supplementary Benefits in The Schedule of this Policy or in a subsequent endorsement issued by the Company, as the case may be.

2.2 The premium due under this Annexure are to be paid to the Company on or before each premium due date. The last premium payable under this Annexure is due immediately before the Expiry Date.

2.3 The premium rate of this Annexure is fixed for the first five (5) years from the Rider Commencement Date. Thereafter, the Company reserves the right to change the premium rate of this Annexure at the Policy Anniversary by giving You at least ninety (90) days advance notice in accordance with 'Notices and Correspondence' clause of the Privileges and Conditions. The amended premium rate will not exceed 120% of the premium rate chargeable on this Annexure at the Policy Anniversary immediately prior to the effective date of the amendment and it will be based on the age next birthday of the Life Assured at the Date of Commencement of this Policy.

SAMPLE

3. BENEFITS

While this Annexure is in force and subject to its terms and conditions, the Company will pay the Amount of Benefits upon:

3.1 the death of the Life Assured; or

3.2 Total and Permanent Disability of the Life Assured before the Policy Anniversary on which the Life Assured attains the age of sixty-five (65) years next birthday; or

3.3 occurrence of a Covered Event (other than Angioplasty and other invasive treatments for coronary artery disease) to the Life Assured,

whichever occurs first.

4. DEATH BENEFIT

While this Annexure is in force and subject to its terms and conditions, the Company will pay the Amount of Benefits or Reduced Amount of Benefits, whichever is applicable, upon the death of the Life Assured.

5. COVERED EVENT BENEFIT

5.1 While this Annexure is in force and subject to its terms and conditions, if the Life Assured has undergone Angioplasty and other invasive treatments for coronary artery disease as defined in the Endorsement No. 361 (DDDEFN1) attached to this Policy, the Company will pay an amount equal to 10% of the Amount of Benefits ("Limited Advance Amount of Benefits").

Provided that:

5.1.1 the amount payable by the Company shall be subject to a maximum of RM25,000 under this Annexure and all policies attached with Critical Illness Annexure or Endorsements issued by the Company, which provide living assurance benefits or critical illness benefits for Angioplasty and other invasive treatments for coronary artery disease on the same Life Assured.

5.1.2 upon the payment of Limited Advance Amount of Benefits by the Company and in the event of any subsequent claim (except for Angioplasty and other invasive treatments for coronary artery disease), the Company will pay an amount equal to the Reduced Amount of Benefits.

5.1.3 The premium of this Annexure as specified in The Schedule of this Policy or in a subsequent endorsement issued by the Company, as the case may be, shall remain unchanged.

5.2 While this Annexure is in force and subject to its terms and conditions, if a Covered Event occurred to the Life Assured, except for Angioplasty and other invasive treatments for coronary artery disease as defined in the Endorsement No. 361 (DDDEFN1) attached to this Policy, the Company will pay an amount equal to the Amount of Benefits.

6. TOTAL AND PERMANENT DISABILITY BENEFIT

While this Annexure is in force and subject to its terms and conditions, if the Life Assured suffers Total and Permanent Disability prior to the Policy Anniversary on which he attains the age of sixty-five (65) years next birthday, the Company will waive the payment of all future premiums under this Annexure and pay the Amount of Benefits or Reduced Amount of Benefits, whichever is applicable.

Provided that:

6.1 Total and Permanent Disability of the Life Assured must be certified by a Medical Practitioner appointed by the Company, to have continued for at least six (6) consecutive months from the date of Total and Permanent Disability. Satisfactory documentary proof must also be provided to the Company evidencing such continuing disability for at least six (6) consecutive months at the time of the first lump sum payment and on each subsequent annual payment.

SAMPLE

6.2 The premium of this Annexure falling due after confirmation of continuing disability for at least six (6) consecutive months will be waived if the Life Assured remains in Total and Permanent Disability.

6.3 The Payment of the Amount of Benefits or Reduced Amount of Benefits, whichever is applicable, under this Annexure subject to the following manner:

6.3.1 one lump sum payment up to RM1,000,000 ; and

6.3.2 two equal payments for any Amount of Benefits or Reduced Amount of Benefits, whichever is applicable, exceeding RM1,000,000 but not exceeding RM2,000,000, the first of which will be paid one year after the date of the lump sum payment stated in Clause 6.3.1above.

This is however further subject to Clause 6.4 below.

6.4 The payment to be made under Clause 6.3 above are subject to the following conditions where the total amount of sum assured for which premiums are to be waived and payments are to be made shall be limited to an amount not exceeding:

6.4.1 RM1,000,000 in aggregate under this Annexure and all policies (excluding Type B TPD Endorsements and Type B TPD Term Life Rider) issued by the Company which provide for Total and Permanent Disability benefit on the same Life Assured, during the first year where the Total and Permanent Disability claim is admitted by the Company, and

6.4.2 RM2,000,000 in aggregate under this Annexure and all policies (excluding Type B TPD Endorsements and Type B TPD Term Life Rider) issued by the Company which provide for Total and Permanent Disability benefit on the same Life Assured after the Total and Permanent Disability claim is admitted by the Company; and

6.4.3 RM3,500,000 in aggregate under this Annexure and all policies (including Type B TPD Endorsements and Type B TPD Term Life Rider) issued by the Company which provide for Total and Permanent Disability benefit on the same Life Assured, in his lifetime where the Total and Permanent Disability benefit is payable by the Company.

For avoidance of doubt, the above aggregate limits shall not include an amount separately payable under accident coverage issued by the Company which provide for Total and Permanent Disability benefit on the same Life Assured.

6.5 Upon partial payment of the Amount of Benefits or Reduced Amount of Benefits, the Amount of Benefits or Reduced Amount of Benefits, as the case may be, will be reduced accordingly.

6.6 On maturity or expiry of this Annexure or in the event of death of the Life Assured, the Company will pay the balance of any unpaid annual payments as provided under Clause 6.3 above and remaining Amount of Benefits or remaining Reduced Amount of Benefits, as the case may be, if any, as benefit payable in one lump sum.

6.7 If the Life Assured ceases to be in Total and Permanent Disability, the Company shall discontinue payments as stated in Clause 6.3 above and this Annexure shall continue under such terms and conditions as the Company may decide at its sole and absolute discretion.

7. CONDITIONS

This Annexure is valid only if this Policy is valid, and this Annexure is subject to the terms and conditions of this Policy unless stated otherwise in this Annexure.

7.1 General

7.1.1 The due observance and fulfilment of the terms and conditions of this Annexure by the Life Assured and in so far as they relate to anything to be done or complied with by the Life Assured shall be conditions precedent to any liability of the Company.

7.1.2 Prior to payment of any benefit payable under this Annexure, the amount of any indebtedness on this Policy shall first be deducted from the benefits payable.

7.1.3 The Total and Permanent Disability suffered by the Life Assured or the Covered Event occurred to the Life Assured for which the claim is made, must be diagnosed by a Medical Practitioner and must be supported by clinical, radiological, histological and laboratory evidence acceptable to the Company; all such medical evidence must be furnished by You or the claimant at own expense, and in such form that the Company may require.

SAMPLE

7.1.4 If required by the Company, the Life Assured must undergo medical examination(s) by a Medical Practitioner appointed by the Company in connection with the Total and Permanent Disability suffered by the Life Assured or the Covered Event occurred to the Life Assured for which the claim is made.

7.2 Conditions Governing Covered Events

7.2.1 You must notify the Company in writing of any occurrence of a Covered Event to the Life Assured as soon as it is practicable; otherwise the Company will not be liable for the Covered Event.

7.2.2 No benefits are payable for any Covered Event to the Life Assured for which:

7.2.2.1 any condition existed or was diagnosed:

7.2.2.1.1 during the Waiting Period; or

7.2.2.1.2 after the expiry of the Waiting Period but which is related to a condition which existed or was diagnosed during the Waiting Period; or

7.2.2.2 signs and symptoms existed before or during the Waiting Period which would prompt a reasonable person to seek medical care or attention, though the resulting diagnosis may occur before or after the expiry of the Waiting Period.

7.2.3 A claim for a Covered Event described in Clause 7.2.2.1 and/or 7.2.2.2 above will not be admissible only because notification of the said claim was given to the Company after the expiry of the Waiting Period.

7.2.4 The payment of the aggregate sum assured to be made shall be limited to RM4,000,000 under this Annexure and all other policies (including endorsements or annexures, if any) issued by the Company (except group policies issued by the Company and the policies distributed solely by the Company's bank partners for and on behalf of the Company) by any name or description which provide Covered Event benefit or provisions for illnesses similar to the Covered Event on the same Life Assured.

7.3 Conditions Governing Total And Permanent Disability

7.3.1 You must notify the Company in writing of any claim as soon as it is practicable. In any case, You must produce satisfactory proof of the Total and Permanent Disability of the Life Assured on forms furnished by the Company within one-hundred eighty (180) days from the date of commencement of Total and Permanent Disability of the Life Assured.

7.3.2 At the time of each annual payment, You must submit this Policy to the Company to have the payment endorsed.

7.3.3 No court action or other proceedings shall be brought by You or on Your behalf within twelve (12) months from the date of commencement of Total and Permanent Disability of the Life Assured.

8. EXCLUSIONS

The Company will not be liable to pay any benefit under this Annexure if:

8.1 the death of the Life Assured is due to self-destruction, while sane or insane within one (1) year from the Risk Effective Date.

8.2 Total and Permanent Disability or Covered Event of the Life Assured:

8.2.1 has existed prior to or on the Risk Effective Date ; or

8.2.2 is caused directly or indirectly by self-inflicted injuries, while sane or insane; or

8.2.3 is resulted from committing, attempting or provoking an assault or a felony or from any violation of law by You; or

8.2.4 is resulted from war, whether declared or undeclared.

8.3 Total and Permanent Disability of the Life Assured:

8.3.1 is caused by bodily injury sustained as a result of parachuting or sky diving; or

8.3.2 engaging in aerial flights other than as a crew member or as a fare-paying passenger of a licensed commercial airline operating on a regular scheduled route.

SAMPLE

9. CONVERSION PRIVILEGE

This Annexure may be surrendered to exchange for an ordinary level sum assured whole life or endowment or critical illness policy which is to be determined by the Company at its sole and absolute discretion on the date of the exchange, without giving evidence of assurability, subject to the following conditions:

9.1 The exchange must be made at least ten (10) years before the Expiry Date and before the Policy Anniversary on which the Life Assured's age next birthday is sixty (60) years; and

9.2 The sum assured for the new policy must not be more than the amount which would have been payable under this Annexure if the Life Assured had died on the date of exchange; and

9.3 Premium of the new policy will follow the same class of rating as this Annexure and based on the age next birthday of the Life Assured at the date of exchange which is also the commencement date of the new policy; and

9.4 The proposals and all statements made in applying for this Policy and this Annexure and any reinstatement of this Policy and this Annexure shall form part of the new policy. The new policy is valid only if both this Policy and this Annexure are valid; and

9.5 If this Policy is a trust Policy, only the trustee(s) is/are entitled to and may surrender this Annexure to the Company in exchange for a new trust policy for the benefit of the nominee(s) named in this Policy; and

9.6 If You are not the Life Assured, the said conversion privilege can only be jointly exercised by both the Life Assured and Yourself; and

9.7 Any surrender value of this Annexure after deducting any debt due at the date of exchange shall be used to pay the premium for the new policy and any balance will then be paid to You; and

9.8 No admission of a claim has been made for Angioplasty and other invasive treatments for coronary artery disease under Covered Event Benefit as stated under Clause 5 above.

Total and Permanent Disability benefits, riders or supplementary contracts will be allowed to be attached to the new policy according to the rules as given by the Company and with the condition that at the time of exchange, evidence of assurability acceptable to the Company is provided and the Life Assured's age next birthday is less than fifty-six (56) years.

10. TERMINATION

This Annexure shall automatically be terminated on the earliest of the following dates:

10.1 once a claim under Clause 4, Clause 5 (except Angioplasty and other invasive treatments for coronary artery disease) or Clause 6 above is admitted, and all the benefits has been paid; or

10.2 on the Expiry Date; or

10.3 when the Company receives Your request for termination in writing; or

10.4 when this Policy is converted into a non-participating paid-up assurance or into a non-participating extended term assurance; or

10.5 when this Policy is surrendered; or

10.6 when this Policy lapses, becomes void, or is terminated in any other manner.

For the avoidance of doubt, any premium received by the Company for this Annexure after its termination will not constitute a continuation of this Annexure. The Company's liability is only limited to the refund of such premium paid without interest.

ENDORSEMENT

ENDORSEMENT NO. 361 (DDDEFN1)

1. DEFINITIONS

For the purpose of this Endorsement, the following words or expressions, wherever mentioned in this Endorsement, shall have the following meanings unless otherwise stated. Any word or expression not specifically defined in this Endorsement shall have the same meaning as ascribed to it in this Policy:-

"Activities of Daily Living" means all of the following:

(a) Transfer
Getting in and out of a chair without requiring physical assistance.

(b) Mobility
The ability to move from room to room without requiring any physical assistance.

(c) Continence
The ability to voluntarily control bowel and bladder functions such as to maintain personal hygiene.

(d) Dressing
Putting on and taking off all necessary items of clothing without requiring assistance of another person.

(e) Bathing / Washing
The ability to wash in the bath or shower (including getting in or out of the bath or shower) or wash by any other means.

(f) Eating
All tasks of getting food into the body once it has been prepared.

"Assessment Period" means the period during which the Company will assess a condition before deciding whether or not the condition qualifies as being permanent. The assessment period will be for the minimum period time frame stated in the relevant definition and will not be longer than twelve (12) months, provided all required evidence has been submitted.

"Category I Covered Events" means the events named as Heart Attack - *of specified severity*, Coronary Artery By-Pass Surgery, Cancer - *of specified severity and does not cover very early cancers*, Angioplasty and other invasive treatments for coronary artery disease, Serious Coronary Artery Disease specified and defined in Clause 2 below.

"Category II Covered Events" means the events specified and defined in Clause 2 below other than those events classified under Category I Covered Events.

"Covered Event" means any of the events specified and defined in Clause 2 below.

"Diagnosis" means the definitive diagnosis made by a Medical Practitioner or neurologist, based upon such specific evidence, referred to below in the definition of the particular Covered Event concerned or, in the absence of such specific evidence, based upon radiological, clinical, histological or laboratory evidence acceptable to the Company.

Such diagnosis must be supported by the Company's appointed Medical Practitioner who may base his / her opinion on the medical evidence submitted by the claimant and / or any additional evidence he / she may require.

"Irreversible" means cannot be reasonably improved upon by medical treatment and/or surgical procedures consistent with the current standard of the medical services available in Malaysia.

"Medical Practitioner" means a surgeon or physician qualified by degree in western medicine, who is legally licensed and duly qualified to practise medicine and surgery authorised in the geographical area of his practice, and who also possesses a current Annual Practicing Certificate issued by the Malaysian Medical Council.

"Permanent" means expected to last throughout the lifetime of the Life Assured.

SAMPLE

"Permanent neurological deficit with persisting clinical symptoms" means symptoms of dysfunction in the nervous system that are present on clinical examination and expected to last throughout the lifetime of the Life Assured. Symptoms that are covered include numbness, paralysis, localised weakness, dysarthria (difficulty with speech), aphasia (inability to speak), dysphagia (difficulty swallowing), visual impairment, difficulty in walking, lack of coordination, tremor, seizures, dementia, delirium and coma.
"Policy" means the basic policy to which this Endorsement is attached.

2. DEFINITIONS OF COVERED EVENTS

(1) "Heart Attack - *of specified severity*" : Death of heart muscle, due to inadequate blood supply, that has resulted in all of the following evidence of acute myocardial infarction:

(a) A history of typical chest pain;
(b) New characteristic electrocardiographic changes; with the development of any of the following: ST elevation or depression, T wave inversion, pathological Q waves or left bundle branch block and
(c) Elevation of the cardiac biomarkers , inclusive of CPK-MB above the generally accepted normal laboratory levels or Troponins recorded at the following levels or higher:
- Cardiac Troponin T or Cardiac Troponin I > / = 0.5 ng/ml

The evidence must show the occurrence of a definite acute myocardial infarction which should be confirmed by a cardiologist or physician.

For the above definition, the following are not covered:
- occurrence of an acute coronary syndrome including but not limited to unstable angina.
- a rise in cardiac biomarkers resulting from a percutaneous procedure for coronary artery disease.

(2) "Stroke - *resulting in Permanent neurological deficit with persisting clinical symptoms*" : Death of brain tissue due to inadequate blood supply, bleeding within the skull or embolization from an extra cranial source resulting in Permanent neurological deficit with persisting clinical symptoms. The diagnosis must be based on changes seen in a CT scan or MRI and certified by a neurologist. A minimum Assessment Period of three (3) months applies.

For the above definition, the following are not covered:
(a) Transient ischemic attacks;
(b) Cerebral symptoms due to migraine;
(c) Traumatic injury to brain tissue or blood vessels;
(d) Vascular disease affecting the eye or optic nerve or vestibular functions.

(3) "Coronary Artery By-Pass Surgery" : Refers to the actual undergoing of open-chest surgery to correct or treat Coronary Artery Disease (CAD) by way of coronary artery by-pass grafting.
For the above definition, the following are not covered:
(a) angioplasty;
(b) other intra-arterial or catheter based techniques;
(c) keyhole procedures;
(d) laser procedures.

(4)	"Cancer - *of specified severity and does not cover very early cancers*"	:	Any malignant tumour positively diagnosed with histological confirmation and characterized by the uncontrolled growth of malignant cells and invasion of tissue. The term malignant tumour includes leukemia, lymphoma and sarcoma. For the above definition, the following are not covered: (a) All cancers which are histologically classified as any of the following: - pre-malignant; - non-invasive; - carcinoma in situ; - having borderline malignancy; - having malignant potential. (b) All tumours of the prostate histologically classified as T1N0M0 (TNM classification) (c) All tumours of the thyroid histologically classified as T1N0M0 (TNM classification) (d) All tumours of the urinary bladder histologically classified as T1N0M0 (TNM classification) (e) Chronic Lymphocytic Leukemia less than RAI Stage 3 (f) All cancers in the presence of HIV (g) Any skin cancer other than malignant melanoma.
(5)	"Kidney Failure - *requiring dialysis or kidney transplant*"	:	End-stage kidney failure presenting as chronic Irreversible failure of both kidneys to function, as a result of which regular dialysis is initiated or kidney transplantation is carried out.
(6)	"Fulminant Viral Hepatitis"	:	A sub-massive to massive necrosis (death of liver tissue) caused by any virus as evidenced by all of the following diagnostic criteria: (a) A rapidly decreasing liver size as confirmed by abdominal ultrasound; (b) Necrosis involving entire lobules, leaving only a collapsed reticular framework; (c) Rapidly deteriorating liver functions tests; and (d) Deepening jaundice. Viral hepatitis infection or carrier status alone (inclusive but not limited to Hepatitis B and Hepatitis C) without the above diagnostic criteria is not covered.
(7)	"Major Organ / Bone Marrow Transplant"	:	The receipt of a transplant of: (a) Human bone marrow using hematopoietic stem cells preceded by total bone marrow ablation; or (b) One of the following human organs: heart, lung, liver, kidney, pancreas that resulted from Irreversible end-stage failure of the relevant organ. Other stem cell transplants are not covered.
(8)	"Paralysis of limbs"	:	Total, Permanent and Irreversible loss of use of both arms or both legs, or of one arm and one leg, through paralysis caused by illness or injury. A minimum Assessment Period of six (6) months applies.

(9)	"Multiple Sclerosis"	:	A definite diagnosis of multiple sclerosis by a neurologist. The diagnosis must be supported by all of the following: (a) Investigations which confirm the diagnosis to be Multiple Sclerosis; (b) Multiple neurological deficits resulting in impairment of motor and sensory functions occurring over a continuous period of at least six (6) months; and (c) Well documented history of exacerbations and remissions of said symptoms or neurological deficits.
(10)	"Primary Pulmonary Arterial Hypertension - *of specified severity*"	:	A definite diagnosis of primary pulmonary arterial hypertension with substantial right ventricular enlargement established by investigations including cardiac catheterization, resulting in Permanent physical impairment to the degree of at least Class III of the New York Heart Association (NYHA) classification of cardiac impairment. Pulmonary arterial hypertension resulting from other causes shall be excluded from this benefit. The NYHA Classification of Cardiac Impairment for Class III and Class IV means the following: Class III: Marked limitation of physical activity. Comfortable at rest but less than ordinary activity causes symptoms. Class IV: Unable to engage in any physical activity without discomfort. Symptoms may be present even at rest.
(11)	"Blindness - Permanent and Irreversible"	:	Permanent and Irreversible loss of sight as a result of accident or illness to the extent that even when tested with the use of visual aids, vision is measured at 3/60 or worse in both eyes using a Snellen eye chart or equivalent test and the result must be certified by an ophthalmologist.
(12)	"Heart Valve Surgery"	:	The actual undergoing of open-heart surgery to replace or repair cardiac valves as a consequence of heart valve defects or abnormalities. For the above definition, the following are not covered: (a) Repair via intra-arterial procedure; (b) Repair via key-hole surgery or any other similar techniques.
(13)	"Deafness - Permanent and Irreversible "	:	Permanent and Irreversible loss of hearing as a result of accident or illness to the extent that the loss is greater than eighty (80) decibels across all frequencies of hearing in both ears. Medical evidence in the form of an audiometry and sound-threshold tests result must be provided and certified by an Ear, Nose, and Throat (ENT) specialist.
(14)	"Surgery To Aorta"	:	The actual undergoing of surgery via a thoracotomy or laparotomy (surgical opening of thorax or abdomen) to repair or correct an aortic aneurysm, an obstruction of the aorta or a dissection of the aorta. For this definition, aorta shall mean the thoracic and abdominal aorta but not its branches. For the above definition, the following are not covered: (a) angioplasty; (b) other intra-arterial or catheter based techniques; (c) other keyhole procedures; (d) laser procedures

(15)	"Loss of Speech"	:	Total, Permanent and Irreversible loss of the ability to speak as a result of injury or illness. A minimum Assessment Period of six (6) months applies. Medical evidence to confirm injury or illness to the vocal cords to support this disability must be supplied by an Ear, Nose, and Throat specialist. All psychiatric related causes are not covered.
(16)	"Alzheimer's Disease / Severe Dementia"	:	Deterioration or loss of intellectual capacity confirmed by clinical evaluation and imaging tests arising from Alzheimer's Disease or Severe Dementia as a result of Irreversible organic brain disorders. The Covered Event must result in significant reduction in mental and social functioning requiring continuous supervision of the Life Assured. The diagnosis must be clinically confirmed by a neurologist. From the above definition, the following are not covered: (a) Non organic brain disorders such as neurosis; (b) Psychiatric illnesses; (c) Drug or alcohol related brain damage.
(17)	"Third Degree Burns – *of specified severity*"	:	Third degree (i.e. full thickness) skin burns covering at least twenty percent (20%) of the total body surface area.
(18)	"Coma - *resulting in Permanent neurological deficit with persisting clinical symptoms*"	:	A state of unconsciousness with no reaction to external stimuli or internal needs, persisting continuously for at least ninety six (96) hours, requiring the use of life support systems and resulting in a Permanent neurological deficit with persisting clinical symptoms. A minimum Assessment Period of thirty (30) days applies. Confirmation by a neurologist must be present. The following is not covered: (a) Coma resulting directly from alcohol or drug abuse.
(19)	"Cardiomyopathy - *of specified severity*"	:	A definite diagnosis of cardiomyopathy by a cardiologist which results in permanently impaired ventricular function and resulting in Permanent physical impairment of at least Class III of the New York Heart Association's classification of cardiac impairment. The diagnosis has to be supported by echocardiographic findings of compromised ventricular performance. The NYHA Classification of Cardiac Impairment for Class III and Class IV means the following: Class III: Marked limitation of physical activity. Comfortable at rest but less than ordinary activity causes symptoms. Class IV: Unable to engage in any physical activity without discomfort. Symptoms may be present even at rest. Cardiomyopathy directly related to alcohol or drug abuse is not covered.
(20)	"Motor Neuron Disease - *Permanent neurological deficit with persisting clinical symptoms*"	:	A definite diagnosis of motor neuron disease by a neurologist with reference to either spinal muscular atrophy, progressive bulbar palsy, amyotrophic lateral sclerosis or primary lateral sclerosis. There must be Permanent neurological deficit with persisting clinical symptoms.

(21)	"HIV Infection Due To Blood Transfusion"	:	Infection with the Human Immunodeficiency Virus (HIV) through a blood transfusion, provided that all of the following conditions are met: (a) The blood transfusion was medically necessary or given as part of a medical treatment; (b) The blood transfusion was received in Malaysia or Singapore after the commencement of the policy; (c) The source of the infection is established to be from the institution that provided the blood transfusion and the institution is able to trace the origin of the HIV tainted blood; (d) The Life Assured does not suffer from hemophilia; and (e) The Life Assured is not a member of any high risk groups including but not limited to intravenous drug users.
(22)	"Parkinson's Disease - *resulting in Permanent inability to perform Activities of Daily Living*"	:	A definite diagnosis of Parkinson's Disease by a neurologist where all the following conditions are met: (a) Cannot be controlled with medication; (b) Shows signs of progressive impairment; and (c) Confirmation of the Permanent inability of the Life Assured to perform without assistance three (3) or more of the Activities of Daily Living. Only idiopathic Parkinson's Disease is covered. Drug-induced or toxic causes of Parkinsonism are not covered.
(23)	"End-Stage Liver Failure"	:	End-stage liver failure as evidenced by all of the following: (a) Permanent jaundice; (b) Ascites (excessive fluid in peritoneal cavity); and, (c) Hepatic encephalopathy. Liver failure secondary to alcohol or drug abuse is not covered.
(24)	"End-Stage Lung Disease"	:	End-stage lung disease causing chronic respiratory failure. All of the following criteria must be met: (a) The need for regular oxygen treatment on a Permanent basis; (b) Permanent impairment of lung function with a consistent Forced Expiratory Volume (FEV) of less than one (1) liter during the first second; (c) Shortness of breath at rest; and (d) Baseline Arterial Blood Gas analysis with partial oxygen pressures of 55mmHg or less.
(25)	"Major Head Trauma - *resulting in Permanent inability to perform Activities of Daily Living*"	:	Physical head injury resulting in Permanent functional impairment verified by a neurologist. The Permanent functional impairment must result in an inability to perform at least three (3) of the Activities of Daily Living. A minimum Assessment Period of three (3) months applies.
(26)	"Chronic Aplastic Anemia - *resulting in Permanent Bone Marrow Failure*"	:	Irreversible Permanent bone marrow failure which results in anemia, neutropenia and thrombocytopenia requiring at least two (2) of the following treatments: (a) Regular blood product transfusion; (b) Marrow stimulating agents; (c) Immunosuppressive agents; or (d) Bone marrow transplantation. The diagnosis must be confirmed by a bone marrow biopsy.

(27) "Muscular Dystrophy" : The definite diagnosis of a Muscular Dystrophy by a neurologist which must be supported by all of the following:
(a) Clinical presentation of progressive muscle weakness;
(b) No central/peripheral nerve involvement as evidenced by absence of sensory disturbance;
(c) Characteristic electromyogram and muscle biopsy findings.

No benefit will be payable under this Covered Event before the Life Assured has reached the age of twelve (12) years next birthday.

(28) "Benign Brain Tumor - *of specified severity*" : A benign tumour in the brain or meninges within the skull, where all of the following conditions are met:
(a) It is life threatening.
(b) It has caused damage to the brain.
(c) It has undergone surgical removal or has caused Permanent neurological deficit with persisting clinical symptoms; and
(d) Its presence must be confirmed by a neurologist or neurosurgeon and supported by findings on MRI, CT or other reliable imaging techniques.

The following are not covered:
(a) Cysts;
(b) Granulomas;
(c) Malformations in or of the arteries or veins of the brain;
(d) Hematomas;
(e) Tumours in the pituitary gland;
(f) Tumours in the spine;
(g) Tumours of the acoustic nerve.

(29) "Encephalitis - *resulting in Permanent inability to perform Activities of Daily Living*" : Severe inflammation of brain substance, resulting in Permanent functional impairment. The Permanent functional impairment must result in an inability to perform at least three (3) of the Activities of Daily Living. A minimum Assessment Period of thirty (30) days applies. The Covered Event must be certified by a neurologist.

Encephalitis in the presence of HIV infection is not covered.

(30) "Angioplasty and other invasive treatments for coronary artery disease" : The actual undergoing for the first time of Coronary Artery Balloon Angioplasty, artherectomy, laser treatment or the insertion of a stent to correct a narrowing or blockage of one or more coronary arteries as shown by angiographic evidence.
Intra-arterial investigative procedures are not covered. Payment under this clause is limited to ten percent (10%) of the Covered Event coverage under the relevant endorsement or annexure, subject to a maximum of RM25,000. This Covered Event is payable once only and shall be deducted from the amount of the relevant endorsement or annexure, thereby reducing the amount of the lump sum payment which may be payable.

(31) "Brain Surgery" : The actual undergoing of surgery to the brain under general anesthesia during which a craniotomy (surgical opening of skull) is performed.
For the above definition, the following are not covered:
(a) Burr hole procedures;
(b) Transphenoidal procedures;
(c) Endoscopic assisted procedures or any other minimally invasive procedures;
(d) Brain surgery as a result of an accident.

(32)	"Bacterial Meningitis - *resulting in Permanent inability to perform Activities of Daily Living*"	:	Bacterial meningitis causing inflammation of the membranes of the brain or spinal cord resulting in Permanent functional impairment. The Permanent functional impairment must result in an inability to perform at least three (3) of the Activities of Daily Living. A minimum Assessment Period of thirty (30) days applies. The diagnosis must be confirmed by: (a) an appropriate specialist; and (b) the presence of bacterial infection in the cerebrospinal fluid by lumbar puncture. For the above definition, other forms of meningitis, including viral meningitis are not covered.
(33)	"Serious Coronary Artery Disease"	:	The narrowing of the lumen of Right Coronary Artery (RCA), Left Anterior Descending Artery (LAD) and Circumflex Artery (not inclusive of their branches) occurring at the same time by a minimum of sixty percent (60%) in each artery as proven by coronary arteriography (non-invasive diagnostic procedures are not covered). A narrowing of sixty percent (60%) or more of the Left Main Stem will be considered as a narrowing of the Left Anterior Descending Artery (LAD) and Circumflex Artery. This Covered Event is payable regardless of whether or not any form of coronary artery surgery has been performed.
(34)	"Loss of Independent Existence"		Confirmation by an appropriate specialist of the loss of independent existence and resulting in a Permanent inability to perform at least three (3) of the Activities of Daily Living. A minimum Assessment Period of six (6) months applies.
(35)	"Systemic Lupus Erythematosus With Severe Kidney Complications"	:	A definite diagnosis of Systemic Lupus Erythematosus confirmed by a rheumatologist. For this definition , the Covered Event is payable only if it has resulted in Type III to Type V Lupus Nephritis as established by renal biopsy. Other forms such as discoid lupus or those forms with only hematological or joint involvement are not covered. WHO Lupus Classification: Type III - Focal Segmental glomerulonephritis Type IV - Diffuse glomerulonephritis Type V - Membranous glomerulonephritis
(36)	"Full-blown AIDS"		The clinical manifestation of AIDS (Acquired Immuno-deficiency Syndrome) must be supported by the results of a positive HIV (Human Immuno-deficiency Virus) antibody test and a confirmatory test. In addition, the Life Assured must have a CD4 cell count of less than two hundred (200)/µL and one or more of the following criteria are met: (a) Weight loss of more than ten percent (10%) of body weight over a period of six (6) months or less (wasting syndrome); (b) Kaposi Sarcoma; (c) Pneumocystis Carinii Pneumonia; (d) Progressive multifocal leukoencephalopathy; (e) Active Tuberculosis; (f) Less than one-thousand (1000) Lymphocytes/µL; (g) Malignant Lymphoma.

3. TERMINATION

This Endorsement shall automatically be cancelled on the earliest of the following dates:

3.1 once a claim (other than the claim for Angioplasty and other invasive treatments for coronary artery disease) under this Policy is admitted; or
3.2 upon the death of the Life Assured; or
3.3 the Maturity Date; or
3.4 when the Policy is surrendered; or
3.5 when the Policy is converted into a non-participating extended term assurance, if any; or
3.6 when the Policy lapses, becomes void or is terminated in any other manner.
