Description of Comprehensive Medical Benefits Available - GMCR

(I) Hospital Room & Board

Reimbursement of the Reasonable and Customary Charges Medically Necessary for room accommodation and meals. The amount of the benefit shall be equal to the actual charges made by the Hospital during the Life Assured's confinement, but in no event shall the benefit exceed, for any one day, the rate of Room and Board benefit, and the maximum number of days as set forth in item (I) of the Schedule of Benefits. The Life Assured will only be entitled to this benefit while confined to a Hospital as an in-patient.

(II) Intensive Care Unit

Reimbursement of the Reasonable and Customary Charges Medically Necessary for actual room and board incurred during confinement as an in-patient in the Intensive Care Unit of the Hospital. This benefit shall be payable equal to the actual charges made by the Hospital subject to the maximum benefit for any one day, and maximum number of days, as set forth in item (II) of the Schedule of Benefits. Where the period of confinement in an Intensive Care Unit exceeds the maximum number of days stated in item (2) of the Schedule of Benefits, the said reimbursement will be restricted to the standard Daily Hospital Room and Board rate.

No Hospital Room and Board benefits shall be paid for the same confinement period where the Daily Intensive Care Unit benefits is payable.

(III) Hospital Supplies & Services

- Physiotherapy
- Basal metabolism tests
- Intravenous injections and solutions
- Administration of blood and blood plasma but excluding the cost of blood and plasma whilst the Life Assured is confined as an in-patient in a Hospital
- Visiting by a Physician to a in-paying patient while confined for a non-surgical disability subject to a maximum of one (1) visit per day
- Domestic ambulance services inclusive of attendant to and/or from the Hospital of confinement. Payment will not be made if the Life Assured is not hospitalized up to the limits stated in item (III) of the Schedule of Benefits.

(IV) Day Care Benefit

Reimbursement of the Reasonable and Customary Charges for the provision of a Medically Necessary surgical procedure requiring less than 12 hours hospitalisation and including but not limited to:

Adenoidectomy, Arthroscopy, Bronchoscopy, Bunionectomy, Cataract removal, Cholecystectomy, Colonoscopy, Coronary angiography, Cystourethroscopy, Digestive tract endoscopy, Dilatation and curettage of uterus, Simple excision of pilonidal cyst, Haemorrhoidectomy, Hammer toe repair, Laparoscopy, Laryngoscopy and tracheoscopy, Lumbosacral manipulation, Morton's neuroma, Myringotomy, Prostate biopsy, Reduction of nasal fracture, Release of carpal tunnel, Strabismus repair and Tonsillectomy, that is commonly performed safely on an Outpatient basis.

If such type of surgical procedure is performed while the Life Assured is an Inpatient, only the equivalent of Day Care Benefit shall be paid, unless prior approval has been given by the Company's appointed medical practitioner.

(V) Surgical Fees

Reimbursement of the:

(i) Reasonable and Customary Charges for a Medically Necessary surgery by the Specialists, including pre-surgical assessment Specialist's visits to the Life Assured and post-surgery care, but within the maximum indicated in the Schedule of Benefits; and

(ii) Reasonable and Customary Charges by the Anaesthetist for the Medically Necessary administration of anaesthesia; and

(iii) Reasonable and Customary Operating Room charges incidental to the surgical procedure.

If more than one surgery is performed for Any One Disability, the total payments for all the surgeries performed shall not exceed the limits stated in item (V) of the Schedule of Benefits.

(VI) Organ Transplant

Reimburses Reasonable and Customary Charges incurred on transplantation surgery for the Life Assured being the recipient of the transplant of a kidney, heart, lung, liver or bone marrow. Payment for this benefit is applicable only once per lifetime whilst the Policy is in force and shall be subject to the limits as set forth in item (VI) of the Schedule of Benefits. The costs of acquisition of the organs and all costs incurred by the donors are not covered.

(VII) Pre-Hospitalisation Treatment

Reimbursement of the Reasonable and Customary Charges for:

(i) Medically Necessary ECG, X-ray and laboratory tests which are performed for diagnostic purposes on account of an injury or illness when in connection with a Disability preceding hospitalization within the maximum number of days and limits as set forth in item (VII) of the Schedule of Benefits in a Hospital and which are recommended by a qualified medical practitioner. No payment shall be made if upon such diagnostic services, the Life Assured does not result in hospital confinement for the treatment of the medical condition diagnosed. Medications and consultation charged by the medical practitioner will not be payable.

(ii) The first time consultation by a Specialist in connection with a Disability within the maximum number of days as set forth in item (VII) of the Schedule of Benefits preceding confinement in a Hospital and provided that such consultation is Medically Necessary and has been recommended in writing by the attending general practitioner. Payment will not be made for clinical treatment (including medications and subsequent consultation after the illness is diagnosed) or where the Life Assured does not result in hospital confinement for the treatment of the medical condition diagnosed.

(VIII) Post-Hospitalisation Treatment

Reimbursement of the Reasonable and Customary Charges incurred in Medically Necessary follow-up treatment by the same attending Physician, within the maximum number of days and limits as set forth in item (VIII) of the Schedule of Benefits immediately following discharge from Hospital for a non-surgical disability. This shall include medicines prescribed during the follow-up treatment but shall not exceed the supply needed.

(IX) Emergency Accidental Outpatient Treatment

Reimbursement of the Reasonable and Customary Charges incurred for up to the amount stated in item (IX) of the Schedule of Benefits, as a result of a covered bodily injury arising from an Accident for Medical Necessary treatment as an outpatient at any registered clinic or hospital within 24 hours of the Accident causing the covered bodily Injury. Follow up treatment by the same Doctor or same registered clinic or Hospital for the same covered bodily injury will be provided up to the maximum amount and the maximum number of days as set forth in item (IX) of the Schedule of Benefits

(X) Outpatient Cancer Treatment

If a Life Assured is diagnosed with Cancer as defined below, the Company will reimburse the Reasonable and Customary Charges incurred for the Medically Necessary treatment of cancer performed at a legally registered cancer treatment centre subject to the limit of this disability as specified in item (X) of the Schedule of Benefits.
Such treatment (radiotherapy or chemotherapy excluding consultation, examination tests, take home drugs) must be received at the outpatient department of a Hospital or a registered cancer treatment centre immediately following discharge from Hospital confinement or surgery.

Cancer is defined as the uncontrollable growth and spread of malignant cells and the invasion and destruction of normal tissue for which major interventionist treatment or surgery (excluding endoscopic procedures alone) is considered necessary. The cancer must be confirmed by histological evidence of malignancy. The following conditions are excluded:

(i) Carcinorma in-situ including of the cervix;
(ii) Ductal Carcinorma in situ of the breast;
(iii) Papillary Carcinorma of the bladder & Stage 1 Prostate Cancer;
(iv) All skin cancers except malignant melanoma;
(v) Stage 1 Hodgkin's disease;
(vi) Tumours manifesting as complications of AIDS.

In addition to the exclusion of Pre-existing Illness, this benefit will not be payable for any Life Assured who had been diagnosed as a cancer patient and/or is receiving cancer treatment prior to the effective date of insurance.

(XI) Outpatient Kidney Dialysis Treatment

If a Life Assured is diagnosed with Kidney Failure as defined below, the Company will reimburse the Reasonable and Customary Charges incurred for the Medically Necessary treatment of kidney dialysis performed at a legally registered dialysis centre subject to the limit of this disability as specified in item (XI) of the Schedule of Benefits.

Such treatment (dialysis excluding consultation, examination tests, take home drugs) must be received at the outpatient department of a Hospital or a registered dialysis treatment centre immediately following discharge from Hospital confinement or surgery.

Kidney Failure means end stage renal failure presenting as chronic, irreversible failure of both kidneys to function as a result of which renal dialysis is initiated.

Any expenses arising from treatment of kidney dialysis performed during the hospitalization of the Life Assured, where in the opinion of the Company's appointed medical practitioner such treatment can be carried out at the out-patient department, will subject to the limit of this Disability as specified in item (XI) of the Schedule of Benefits.

It is a specific condition of this benefit that notwithstanding the exclusion of Pre-existing Illness, this benefit will not be payable for any Life Assured who has developed chronic renal diseases and/or is receiving dialysis treatment prior to the effective date of insurance.

(XII) Annual Overall Limit

The maximum of Covered Charges with respect to coverage of the Life Assured within any specific Policy Year of all the benefits listed under items (I) to (XI) only as appearing in the applicable Benefits schedule and the limit is specified in item (XII) of the Benefits schedule.

(XIII) Lifetime Overall Limit

The limit applying to the total benefit paid, in aggregate, to the Assured with respect to coverage of the Life Assured since the Risk Commencement Date and the limit is specified in item (XIII) of the benefits schedule.

(XIV) Daily Cash Allowance at Government Hospital

Pays a daily allowance for each day of confinement for a covered Disability in a Malaysian Government Hospital, provided that the Life Assured shall confine to a Room and Board rate that does not exceed the amount shown in item (I) of the Schedule of Benefits. No payment will be made for any transfer to or from any Private Hospital and Malaysian Government Hospital for the covered Disability.

(XV) Executive Second Opinion

For attained age 21 next birthday and above, if the life insured is diagnosed with any of the 40 Major Medical Conditions, he/she is entitled to the following Executive Second Opinion Service from any one (1) of the Panel of medical experts.
